man bearing some such name and that Mr. Sweezie left on Thursday night for Winnipeg. On checking up this information, I found that a man bearing a similar name and giving his address as Toronto, had checked out of the Royal Alex hotel on Monday. Do you happen to know Sweezie or do you happen to know the name of the man who makes these special arrangements on behalf of Nesbitt Thomson.

The above may be classified as wild rumours but on following up information of similar origin previously, we have been able to unearth real gold.

I do not wish to bother you with this matter, but if you happen to have any information, I feel sure that you would be only too happy to convey it to me for the benefit of Col. Taylor.

Yours sincerely,

Errick F. Willis
