OTTAWA; 2nd December, 1902

Sir,

I have to inform you that Mr Inspector Johnson reports the fences and gates in connection with the Back Settlement school to be in a bad state of repair and the Department would like you to have this work attended to as well as the required repairs made to the seats.

You may also furnish the school with a new broom and a sufficient number of hat hooks.

Be good enough to state why the repairs were not made to the fences and gates, as you were authorized to do so by Departmental letter of the 10th May last.

Your obedient servant,

Secretary

S. Sutherland Esq.

Indian Agent,

Deleware, Ont:-
