Ottawa, July 4, 1906.

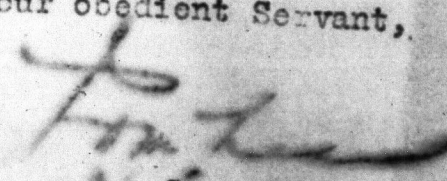

Rev. Sir,--

I have to acknowledge the receipt of your letter of the 26th ult. asking for a second advance on the earnings of your school for the June quarter, and in reply I beg to say that, in reply to a similar request made by you in a letter of the 6th ult., a cheque, No. 6519, for \$700, was sent you on the 21st ult.

This cheque has, no doubt, reached you by this time. The letter containing this cheque was addressed to High River, Alta., there being no post-office at Dunbow and the authorities refusing to accept a letter addressed to Dunbow.

You might advise the Department as to your nearest post-office, so that registered mail can be properly directed.

Your obedient Servant,

  
Secretary.

Rev. A. Naessens,  
Principal,

High River Industrial School,  
Dunbow, Alta.
