Mr. D.G. Wagner,
Gananoque Air Services,
Gananoque, Ontario.

Dear Sir:

It is to be noted that Piper J3, CF-EDY, is still registered as a 'Private' aircraft, which means that it may not, at any time, be operated for hire or reward.

Therefore, we would advise you to apply immediately to this office to have the purpose of this aircraft changed from 'Private' to 'Commercial'.

It is believed that this error was due to an oversight and was not intentional, otherwise drastic action may have resulted for failure to comply with Air Regulations, 1938.

The Certificates of Airworthiness and Registration, relating to this aircraft, are being held in this office until the above matter has been rectified.

Yours truly,

Wors
(D.W. Saunders),

District Inspector, Air Regulations,
Toronto.
