Men of Grey

In your service overseas in the cause of Justice and Freedom, you have displayed the greatest fortitude, the most patient endurance, brilliancy in attack and dogged determination to stick to it until complete and glorious victory crowned the effort of the Allies. We desire to extend you a most enthusiastic welcome upon the occasion of your return to your native county, heroes of the greatest struggle of all history, and our sincere hope is that you will continue to display the same characteristics in the pursuit of whatever calling you may choose to follow in life.

JNO. McQUAKER,
