is from two to three shillings lower. The Geo. Mathlews Co. quote the following prices for this week's shipments, f.o.b. country points, \$7.15 a cwt.; weighed off cars, \$7.50 a cwt.; delivered at abattoir, \$7.35 a cwt.;

## MONTREAL HOG MARKET

MONTREAL MOG MARKET
Montreal, Saurday, May 1.—The market
for live hogs this week has been very firm.
Receipts have been comparatively light,
and have met with a good demand from
weighed off cass, a few contest being
picked up at about 8815 a cwt. Quotations on dressed hogs have been marked
up during the week and dealers are askling as high as \$11.50 for fresh killed abattor; stock, and there is not much in the
business even at this price.

EXPORT BUTTER AND CHEESE Montreal, Saturday, May 1st.—There has een a decidedly improved tone to the Montreal, Saturday, May 1st.—There has been a decidedly improved tone to the cheese trade this week, and at the various offering during the last few days of the week have been sold at better prices than were available the week before. This was due to an increased interest in cheese manifested by the British importers, who seemed to be attracted 'to the article by the low prices reache, a week ago. These the low prices reache, a week ago. These the low prices reache, a week ago. The still they were sufficient to stop any further decline in prices, and the cheese in the country this week were sold at practically the same prices as were current the week before. The rulling price paid was 11%, practically all the boards going at the Belleville board at more money, as high as 11% being paid for one or two lots. The bulk of the orders coming from the other side at present are for white cheese, and unless there is a fairly large quantity available next week, there is

lots. The bulk of the orders coming roun the other side at present are for white cheese, and unless there is a fairly large likely to be a premium paid for these, over colored.

The total receipts into Montreal during the past week amounted to 359 boxes of cheese as compared with 231 boxes for of cheese as compared with 231 boxes for orresponding week last year. These corresponding week last year. These orresponding week last year. The orresponding week last year make going on in the country this year as compared with a year age, and reports from all parts of the country to-day are to the compared with a year age, and reports from all parts of the country to-day are to the country to-day of the country to-day are to the country to-day are to-day down to a level at which the British market will be intended to the country to the country to the country to-day are to-day to the country to-day are to-day to-day are to-day are to-day and to-day are to-day a
