dividends.— J. A. M.

MONTAGUE, June 15.—Spring has been
very cold and wet, but is coming better now.
Grass is doing well: most of the seeding is
done. Fruit well: see are loaded with bloom.
Had luck is reason with early chickens:
very few were out before June. A let of hay
was imported from Nova Scotia this spring
at \$30 a ton.—G. A.

PURE BRED SIRES

THE LIVE STOCK BRANCH

Dominion Department of Agriculture

WILL PURCHASE during 1914, a number of Canadian Bred Stallions, Bulls, Boars and

Animals must be of right type, in good breeding condition and of the following ages:

Stallions, three to five years. Bulls, not under one year. Boars, not under six months. Rams, not under six months.

All stallions will be purchased subject to veter-inary inspection and bulls subject to the tuber-

cuin test.

Breeders in Eastern Canada having Canadian
Bred male animals for sale, filling the above requirements and registered or eligible for registration in the Canadian National Live Stock
Records, are requested to communicate with the
Live Stock Commissioner, Department of Agriculture, Ottawa

The purchases of stallions and bulls will be made during the current spring months. The burchases of rams and boars will be deferred unil the autumn.

Communications must state age and breeding of animals offered and price asked.—60271.
