We are offering **Special Bargains in Shorthorns** just now. The Reason is that we have a **Large Stock** and **Feed is Scarce**. Most of you know the **Kind of Cattle** we have, so that it is useless repeating the usual formula. In order to **Reduce Our Stock**, so that we may be able to pull through the winter, we **Will Sell at Prices** which will **Well Repay the Purchaser** who has feed to keep them until spring. We have pretty nearly anything **You** want. If you can not come to see, write and tell us as nearly as possible what it is, and we will frankly tell you whether or not we can supply.

ews in order to increase the supply of milk. The horse business is quiet just now. A great many horses have been shipped away from the Island this year, at high prices. The quality of horses here is improving, perhaps faster than any kind of live stock, and, with the foreign buyers, there is nothing quite so good as a P. E. Island horse, and they are willing to pay for the quality.

GOSSIP.

F. W. Ewing, Salem, Ont., near Elora Station (G. T. R. and C. P. R.), and 15 miles north of Guelph, advertises for sale Shorthorn cattle of the following excellent Scotch families: English Lady, Mildred, Nonpareil, Claret and Stamford, and offers young stock, sired by the good-breeding bulls, Springhurst and Mildred's Royal. A careful breeder and judicious feeder, Mr. Ewing's herd will be found well up to the standard of the best in the country.

Messrs. John Watt & Son, Salem, Ont., write: "Our Shorthorns have gone into their winter quarters in good shape, and we will price about twenty females of the most up-to-date breeding. The two bulls we are offering are a real good pair, sired by Heatherman, a grandson of the good-breeding bull, Lovat's Champion, and they are out of our best-breeding cows. These calves are in good-breeding shape, and will be sold at bargain prices. We recently sold an extra good bull calf to Mr. David Campbell, Clifford, Ont., sired by Duke of Richmond, and out of Imp. Merry Lass 8th. This calf will be a valuable addition to Mr. Campbell's herd."

SUMMER HILL BERKSHIRES.

Messrs. D. C. Flatt & Son, Millgrove, Ont., write: "Our Summer Hill herd of English Yorkshire hogs was never so complete as it is to-day, and we say without prejudice that we never had better individuals nor more of them. Our motto has always been when buying: 'The best is not quite good enough,' and we use the same motto when filling orders entrusted to us by mail and otherwise, in the interest of the buyer. Our ambition is to make friends, and we are constantly adding more to our list, not by meeting them face to face, but we rely on the quality of our stock to make friends for us. At present we have over 300 to select from, and below we will give you an idea of how they are bred. Our main stock boar, Duke of York 14769 (imp.), was three times champion and medal boar at Toronto, which was never done before by any one animal. He is in excellent breeding condition to-day, and will weigh over 900 pounds. Second in service is Champion 20102, a grand son of Duke of York. Champion this year succeeded in winning the medal and championship at Toronto in his yearling form. He is a wonderful boar, with great bone, and all the quality that could be imagined. Another is Summer Hill Chester (imp. in dam). He is a massive, smooth fellow. His sire is the great Park Royal, first-prize boar at the Royal Show, England, and his dam was also champion and medal sow at Toronto, 1905. Summer Hill Captain is another that we expect a great deal from. He will, no doubt, be shown in 1908, and will be heard from then. Our stock of 60 breeding sows are all imported, with the exception of six, and they are a credit to any show-ring. With the blood of these boars and sows, which is the best we could find in England and Scotland, we feel we are able to offer to the Canadian farmers the best blood that the world produces, and at moderate prices."
