**THE READY-MADE HOUSE**

Is especially adapted to withstand the cold weather in Manitoba and the Northwest. It has an ARTISTIC APPEARANCE, and the price is LOWER than a house built in the ordinary way. The houses are built at our factory in Vancouver, out of the very best selected, kiln-dried material, and are shipped in sections, each piece being numbered, and the whole accompanied by complete working instructions and diagrams, so that the houses can be easily put together by anyone of ordinary intelligence.

We have houses for the settlers as well as houses for the towns, and manufacture over 20 different designs.

Everywhere these houses have been sold, they have proved eminently satisfactory, and we have many testimonials. We also manufacture SCHOOL HOUSES—just the thing for the country. Write us for particulars.
