7-30 GOLD LOAN.

OF THE Northern Pacific Railroad.

Rapid Progress of the Work

The building of the Northern Pacific Railroad (begun July last) is being pushed forward with great energy from both extremities of the line. Several thousand men are employed in Minnesota and on the Pacific coast. The grade is nearly com-pleted 266 miles westward from Lake Superior; trains are running over 130 miles of finished road and track-laying is rapidly progressing towards the eastern border of Dakota. Including its purchase of the St. Paul and Pacific Road, the Nothren Pacific Company now has 413 miles of completed road and by September next this will be increased to at least 560.

A GOOD INVESTMENT. Jay Cook & Co. are now selling, and unhesitatingly recommend as a profitable and perfectly safe investment, the First Montgage Land Grant Gold Bonds of the Northern Pacific Railroad Company. They have 30 years to run, bear Seven and Three-Tenths per cent, gold interest (more than 8 per cent, currency), and are REEFERS and OVERCOATS, PANTS and VEST, all of which will be sold at the lowest possible prices for Cash. Please call and examine.

Sinking Fund. The proceeds of all sales of

Lands are required to be devoted to the re-purchase and cancellation of the first Montgage Bonds of the Company. The Land Grant of the Road exceeds Fifty Million Acres. This immense sinking fund will undoubtedly cancel the principal of the Company's bonded debt before it falls due. With pany's bonded debt before it falls due, their ample security and high rate of interest is no investment, accessible to the people, which is

more profitable or safe. EXCHANGING U.S. FIVE-TWENTIES. The success of the New Government 5 per cent. Loan will compel the early surrender of United States 6 per cents.
