The Ship of Death.

(FROM THE GERMAN.) By the shore of Time now lying, On the inky flood beneath, Patiently, thou Soul undying, Waits for thee, the Ship of Death.

He who on that vessel starteth, Sailing from the sons of men, To the triends from whom he parteth, Never more returns again.

From her mast no flag is flying, To denote from whence she came She is known unto the dying, Azacl is her captain's name.
