Rev. Father Wilds' EXPERIENCE.

The Rev. Z. P. Wilds, well-known city missionary in New York, and brother of the late eminent Judge Wilds, of the Massachusetts Supreme Court, writes

as follows:

"18 E. 54th St., New York, May 16, 1882.

MESSIB. J. C. AYER & Co., Gentlemen:

Last winter I was troubled with a most uncomfortable itching humor affecting more especially my limbs, which itched so intolerably at night, and burned so intensely, that I could scarcely bear any clothing over them. I was also a sufferer from a severe catarrh and catarrhal cough; my appetite was poor, and my system a good deal run down. Knowing the value of AYER'S SARSAFARILLA, by observation of many other cases, and from personal use in former years, I began taking it for the above-named disorders. My appetite improved almost from the first dose. After a short time the fever and itching were allayed, and all signs of irritation of the skin disappeared. My catarrh and cough were also cured by the same means, and my general health greatly improved, until it is now excellent. I feel a hundred per cent stronger, and I attribute these results to the use of the SARSAPARILLA, which I recommend with all confidence as the best blood medicine ever devised. I took it in small doses three times a day, and used, in all, less than two bottles. I place these facts at your service, hoping their publication may do good.

Yours respectfully, Z. P. Wilds."

The above instance is but one of the many constantly coming to our notice, which prove the perfect adaptability of AYER's SARSA-PARILLA to the cure of all diseases arising from impure or impoverished blood, and a weakened vitality.

Ayer's Sarsaparilla

cleanses, enriches, and strengthens the blood, stimulates the action of the stomach and bowels, and thereby enables the system to resist and overcome the attacks of all Scrotulous Diseases, Eruptions of the Skin, Rheumatism, Catarrh, General Debility, and all disorders resulting from poor or corrupted blood and a low state of the system. UNFERMENTED WINE, Prepared for Sacramental and Dietetic use

F. WRIGHT, MANUFACTUMING CHE-

KENSINGTON WIGH STREET, LONDON, W. "This WINF is guaranteed to be the juice of the finest grapes of the Core d'or, Andalu-sia, and the Medoc. It is perfectly free from Alcohol, and is guaranteed to be Pure Grape Juice. It has stood the test of 22 years' continous sale in every climate, and is now used in upwards of 1500 Churches of all denominations. The mode of in nufacture is a slight modification of a well-known ancient practice, and effectually preserves the grateful flavor and the rich nutritious qualities unimpaired. It is therefore admirably adapted in cases of debility and tever, in which the stomach is too weak to digest other food. Children suffering from febrile ailments drink it with avidity, even when all

other food has been refused. JOHN M. HODGES, Esq., M.D., F.C.S., Public Analyst for Antrim County and Belfast Borough,

"I have chemically examined the bottle of Wright's Unfermented Wine (taken by my son from the stock held by Mr. Wright's Belfast Agent), and find that it is free from alcohol, and contains the constitutents of grape juice. When mixed with water it will prove an agreeable beverage."

FROM REV. JOHN BURWASH, Formerly Professor at Mount Allison Wesleyan College, Sackville, N.B.

Sackville, May 23rd, 1882. "I have just finished the analysis of the Wine sent. It is necessarily a slow process, some of the steeps taking two days. This Wine contains No ALCOHOL, nor any dele-terious ingredient. * * It can be relied en as wholesome, not having any intoxica-ting properties.

STARR KIDNEY PAD

For Kidney Diseases. FIFTEEN YEARS A SUFFERER. TURNBURY TOWNSHIP, April 20, 1882.

W. T. BRAY, Esq., Chetnist and Druggist, Winghain: Dear Sir .- I beg to state that "The Starr Kidney Pad" I bought from you entirely cured me of a very lame back with which I had been troubled for the past fifteen years. I tried all the doctors around this section, and bought every known thing that has been recommended. I never received the slightest relief until I had worn the Pad about a month. From that time I have not had an ache or pain of any kind, and I can che tuliy recommend it to any one suffering from a similar cause. I think it but right to make it known far and wide the good effects to b

obtained from "The Starr Kidney Pad." Yours respectfully, ROBERT KENNEDY. I have known Mr. Robert Kennedy for 15 rears, and anything he may state can be reied upon. W. T. BRAY.
