

and 4th days of September, 1849, at which the Members of the Executive Council of Nova Scotia were present."

The 4th Resolution, adopted at the said Conference, contains a recommendation to the respective Colonial Governments of British North America, to propose to their Legislatures, the removal of all duties on their respective natural products, which are enumerated in a previous Resolution.

The Committee of the Executive Council are respectfully of opinion, that it is highly expedient, that Reciprocal Free Trade, in the articles enumerated, should be established between the several North American Colonies, and are therefore prepared to recommend to the Canadian Parliament to pass an Act to carry out the recommendation above referred to; but they are anxious to ascertain the views of the Legislatures of the other Provinces now in Session; and, therefore, humbly recommend your Excellency to communicate with the several Lieutenant Governors on the subject, and to obtain from them copies of any Bills which may be introduced, for giving effect to the recommendation of the Delegates who met at Halifax.
