

**FRIENDLY ADVICE**

**'s the Means of Renewed Health to a Sufferer.**

Dr. Williams' Pink Pills Succeed Where Doctors Had Failed for Thirty Years—The Sufferer One of Northumberland Co.'s Best Known Men.

From the Trenton Advocate.

Mr. John Frost's case is a most remarkable one. He is one of the best known residents in the county of Northumberland, being a retired farmer of most ample means, and having financial dealings with hundreds throughout the townships. We have known him intimately for over ten years. From him we gleaned the following facts in February last:—I was born in England and at twelve years of age arrived in Canada with my parents, who settled in Prince Edward county and remained there for three years. We then moved to Rawdon township in the neighborhood county of Hastings. For thirty years I was a resident of Rawdon, three years I resided in Seymour township and I am at present and have been for the past ten years, a resident of Murray township. For thirty years I have been a martyr to rheumatism. During that time I have been treated by scores of doctors and found partial relief from but one, I have during the same per-

Getting Into My Rig Was Agonizing.

I tried innumerable remedies, but all failed to cure me. Scarcely a month passes that I am not laid up, and frequently I am confined to bed six or eight weeks, unable to move hand or foot, and suffering untold agonies. Two well known doctors told me one time that I would have to have an arm taken off to save my life. I tell you I have been a great sufferer in my time and I would give anything to find relief. My business causes me a great deal of driving and getting in and out of my rig is agony.

Knowing his story to be true and anxious that Dr. Williams' Pink Pills should have a severe test, we prevailed on Mr. Frost, much against his will, to give them a trial. He got six boxes and commenced to use them. At the start he smiled at our confidence in the pills. We saw him after he had used the first box and he admitted some relief and said he believed there was something in the remedy. He continued their use and by the time he had finished the six boxes he was as sound and proud a man as could be found in five counties. A couple of months have passed since the cure was effected and we deferred giving a history of the case in order that we could see for a certainty that the cure was permanent. We see him several times a week actively attending to his business and at all times loud in his praise of Pink Pills. All who know Mr. Frost know that his word is as good as his bond. Yesterday we said to him, "Now, Mr. Frost, do you really feel that you are cured of rheumatism?" Do you feel any twinges of the old trouble?" He replied, "I am cured. The Pink Pills have thoroughly routed the disease out of my system and I feel a new man. The use of the pills has given me new life and I am telling everyone I meet about the cure." Such is the case, and having known Mr. Frost for years the sufferer he was, and seeing him now active, and almost youthful again, the rapid change from suffering to health seems almost a miracle. However, we are not at all surprised, for on all sides we hear of cures effected by the use of Pink Pills. The druggists remark their rapid sale and the satisfaction they give their customers.

Mrs. Hicks—We had an awful row at breakfast and he slammed the door when he started.

**AMONG THE GERMANS.**

Isaac E. Bowman, M. P. for Waterloo, Praises Dr. Agnew's Catarrhal Powder, the Remedy Which Relieves in ten Minutes.

Our Teutonic friends are not rash in anything they do, and none are quicker to appreciate a good thing. They soon prick the bubble of unreliability. The testimony of Isaac E. Bowman, M. P. for Waterloo, is that he found Dr. Agnew's Catarrhal Powder accomplished just what it claims to accomplish—sure, pleasant and certain specific in the case of catarrhal trouble in the head or throat. But what Mr. Bowman says of it is what everybody is saying of this great medicine. Reject worthless imitations. Take only Dr. Agnew's if you wish instant relief and a permanent cure. Sample bottle and blower sent by S. G. Detchon, 44 Church St., Toronto, on receipt of ten cents in silver or stamps. Sold by druggists.

Trivet—Wasn't it very singular that she should tell you?  
Bickers—Oh, not at all. She wanted a hundred dollars for traveling expenses and I gave her the money.

Of the thousands of persons who gained rewards in previous competitions, word is yet to be received from a dissatisfied competitor. Address: The LADIES' JOURNAL, 73 Adelaide St. W., Toronto, Canada.

**Children Who Suffer**

from scrofulous, skin or scalp diseases, ought to be given Dr. Pierce's Golden Medical Discovery, for purifying the blood. For children who are puny, pale or weak, the "Discovery" is a tonic which builds up both flesh and strength. What is said of it for children applies equally to adults. As an appetizing, restorative tonic, it sets at work all the processes of digestion and nutrition, rouses every organ into natural action, and brings back health and strength. In recovering from "grippe," or in convalescence from pneumonia, fevers, and other pleadingly diseases, it speedily and surely invigorates and builds up the whole system.

For all diseases caused by a torpid liver or impure blood, as Dyspepsia, Biliousness, Blisters and Eruptions, it gives most perfect satisfaction.

**Danger.**

First Tramp—It makes me nervous to sleep in one of these lodgin' houses. Supposin' a fire was to break out in de night?  
Second Tramp—Dat's so. Dem firemen would turn a hose on yer in a minute.

**GREATER THAN PASTEUR.**

A Remedy for Heart Disease Greater in its Results Than the Great Discoveries of Louis Pasteur.

All honour to that great Frenchman, Louis Pasteur, whose famous hydrophobia cure and other scientific discoveries have made him famous. Peace to his ashes now that he has left this world. But it is a problem, measured by actual results, whether he has done more for the world than the discoverer of Dr. Agnew's Cure for the Heart. We speak of heart disease as incurable, and yet here is a remedy that has practically grasped thousands from the hands of death. In cases where it seemed that every breath taken would be the last, in half an hour's time patients have been brought around, and a little perseverance in its use removes the disease, even when of a thoroughly chronic character.

Great men undertake great things because they are great; fools because they think them easy.—Vauvenargues.

Karl's Clover Root Tea purifies the blood and gives a clear and beautiful complexion.

It is easy for a man to write and talk like philosophers, but to act with wisdom, there is the rub.—Rivarol.

Cold in the head—Nasal Balm gives instant relief, speedily cures. Never fails.

Our distinctions do not lie in the places we occupy, but in the grace and dignity with which we fill them.—Simms.

Karl's Clover Root Tea is a sure cure for Headache and Nervous Diseases. Nothing relieves so quickly.

**Strange, but True**

The child that cannot digest milk can digest Cod-liver Oil as it is prepared in Scott's Emulsion. Careful scientific tests have proven it to be more easily digested than milk, butter, or any other fat. That is the reason why puny, sickly children, and thin, emaciated and anæmic persons grow fleshy so rapidly on Scott's Emulsion of Cod-liver Oil and Hypophosphites when their ordinary food does not nourish them.
