A CONSTABLE'S EXPERIENCE

A story was going the rounds today that a constable had pulled a revolver on a man in this city on Saturday afternoon. The truth seems to be that the constable in question was a silent witness to a settlement of a dispute on the market between two parties and the farmer who thought he had received the worst of it met the constable in a stable yard afterwards. The constable was going to put some parcels in his buggy when the other came up and began talking loudly. Another man stepped up and said that if he (the constable) wanted to take him, he would not be able to do it. All the while the two kept edging up to the constable and the latter put his hand in his pocket and drew out a revolver saying as he lay his hand on it, he had to do so. He would bring him with that. According to this there was no pointing the revolver at all.

FIELD DAY SPORTS AT OLD ALBERT

List of Winners of Prizes and Medals at Annual Athletic Meet.

Saturday afternoon at Albert College was given over to the annual field day sports on the campus. The students, both young ladies and young men, turned out in full force but the citizens were not largely represented owing to Saturday's business demands. Rev. Dr. Baker was referee, Mr. Dan Cameron, Marshall, N. J. Ireland, R. E. Staples, and C. R. Powers, starters; A. Taylor, J. Barbare, J. Johnston, N. Rawson, and G. Elgie, scorers; H. Horning, W. Norton, G. Kelly, W. J. Spira, and B. Hanna, judges; Messrs. E. L. Hall, O. Phillips, announcers.

The day was ideal for sports, the temperature being moderate.

While the games were being run off the ice cream booth, piled its trade in refreshments and so satisfied the thirst of the onlookers anxious as to the outcome of the games, in which the athletes were striving for prizes and medals and the honor of Albert College sports.

The number of events was reduced considerably so that the games were pulled off in the short space of three hours and a half. The competitions dropped this year were boy and girl jump, running and standing; sack race, relay race, etc.

The medals were won as follows—Senior Championship—G. Batstone Jr. Championship—G. Taylor 100 yards—J. R. Maas 100 yards Jr.—A. Taylor 5 mile cup—J. R. Maas

Mr. and Mrs. Martin Harvey's Farewell Greetings to Canada.

Upon the conclusion of their Canadian tour at Quebec, Mr. and Mrs. Martin Harvey wish to convey their affectionate farewells to their many friends in Canada, and to express their deep appreciation for the unbounded hospitality and support which they have received. It is a source of great gratification to them and to their company that their Canadian tour—the first visit of an English Company to travel through the country on a tour confined solely to Canadian territory—should have proved an unbroken success. They are confident that other English companies will be encouraged to visit Canada, and that they will share in the welcome which Canadians are ready to give them, and they sincerely trust that the British-Canadian Theatre Organisation Company—to whose enterprise is due the successful outcome of their visit—will also be encouraged to give appreciative Canadians the best that the British Theatre can give and thus continue this new bond of Imperial Union which prompted their organization.

ROYAL STANDARD AT COURT HOUSE

Will Fly Tomorrow For First Time in history of Belleville.

It is an interesting fact to note that for the first time in the history of Belleville, the Royal Standard will be flown to the winds for two hours during the stay of H.R.H. the Duke of Cornwall and the Royal Party in this city. The standard will fly from the court house.

The school children have a practice on the court house lawn this afternoon.

Bickle's Anti-Constipative Syrup is agreeable to the taste, and is a certain relief for irritation of the throat that causes hacking coughs. If used according to directions it will break the most persistent cold, and restore the air passages to their normal healthy condition. There is no need to recommend it to those familiar with it, but to those who seek a sure remedy and are in doubt what to use, the advice is—try Bickle's Syrup.
