Sporting Comment

Brantford lost the first game to Guelph and from the reports it must have been an extraordinary game, with Knobby Lee's men carrying horse-shoes all about them. The Brants got nine hits and made one run; Guelph only got four hits and chalked up three runs. Walker was given perfect support while Auld's team-mates made three misplays. That sort of luck won't cling to Guelph all week, and to day on hope the Brants ought to win.

The other games in the Canadian League were funny too, but quite satisfactory in result. St. Thomas slipped another 7 to 4 victory over Ottawa and this must be speechless by now, particularly as it was his favorite Ross, who was trimmed. The peculiar thing is that St. Thomas only got 7 runs out of 15 hits, while Ottawa pulled four runs out of 6 hits. Ottawa is the luckiest team in the league, but even their luck won't save them this year.

Two weeks ago Hamilton offered us Dougherty for nothing and the Brants turned down the offer. Since then he has been burning up the league, and yesterday he pitched a no-hit game against London. At that he only pulled out a 2 to 1 victory. All of which shows that the thing that counts in baseball, is runs, not hits. Hamilton and St. Thomas winning, helped the Brants some since they are still the same distance from the top.

Up to the time Cooper came to Brantford, all the teams thought they had catchers. But Cooper set such a pace for receiving that they are all after big leaguers. Ottawa has Pyyne and now London has Yelle, who only a short month ago was catching for Jersey City against Toronto at Hamilton's Point. However, he never set the river on fire in the International League, and when the season closes, it will likely be found that Cooper is still the best of them all.

The bowlers met Monday afternoon and postponed proceedings for a week. That means that the tournament will be run off Labor Day as originally intended, because a lot of bowlers, once they thought about it, said they wanted to see the ball games Civic Holiday, and didn't want anything to interfere. That is as it should be.

Everybody will be sorry to hear that Dr. Wiley is out of the running for the Labatt Trophy at London. The doctor is a keen bowler, and a thorough sportsman and deserved to go higher. The London Tournament this year is not as big as usual, which is their own fault. The tournament makers persisted in clashing with the Buffalo tournament, and as a result their entries were cut in two. They send out reports that it doesn't matter anyway, but it does and it seems a pity that they should have deliberately put themselves in for a black eye. They will know better next year.

SAINTS AND LEAFS BEAT OTTAWA AND BRANTS YESTERDAY

Auld Keeps Warner's Crew in Check, While Reilly Breezes in at Ottawa.

Guelph, July 28.—Guelph put a temporary crimp in the aspirations of the fast-going Brantford team here yesterday afternoon when they took the first of a seven-game series by a score of 2 to 1.

The Brants outthrew the Leafs more than two to one and also outfielded them, but Bobby Auld, who was on the rubber for Guelph, did not allow the visitors to bunch hits and only two of them figured in the run-getting. Walker was a trifle wild in the third inning and after passing Grieve he hit Auld in the ribs; a sacrifice sent them both along a base and Murphy sent them home with a Texas leaguer to left. The other run came as a result of Harkins being hit by the pitcher and Schaffer's two-bagger. The Brants got men on bases in almost every inning, but Auld tightened up and there was nothing doing. They got their one tally as the result of a bad peg to third by Brown. The all-round work of Catcher Harkins featured the game. In Scores—Brantford, 000 100 000—1 9 0 Guelph, 002 001 000—3 4 3 Walker and Cooper, Auld and Harkins, Umpire—Bedford.

SAINTS WIN AGAIN.

Ottawa, July 27.—St. Thomas made it two out of three against the Ottawas by taking yesterday's game 7 to 4. They batted Ross out of the box in the first inning, scoring four runs and gaining a lead which the doctor is a keen bowler, and a thorough sportsman and deserved to go higher. The London Tournament this year is not as big as usual, which is their own fault. The tournament makers persisted in clashing with the Buffalo tournament, and as a result their entries were cut in two. They send out reports that it doesn't matter anyway, but it does and it seems a pity that they should have deliberately put themselves in for a black eye. They will know better next year.

Thistles Player Gets Presentation

The officials and players of the Thistles Football Club met Monday night in the Prince Edward Hotel and presented David Lynn with a Walkham wrist watch. The presentation was made on account of the recipient going to the front, leaving to-day with the Dufferin Rifles Overseas force. Mr. Lynn was the popular inside right of the Thistles team and is a great favorite with everybody connected with the game, being respected for his gentlemanly conduct both on and off the field. About fifty members of the team, both players and officers, were present. Songs were sung by Messrs. Riley, Curran, Maish, Tigwell, Richardson and Holmes. The presentation was then made by President Tom Anderson and Captain Sid Herrington of the Thistles on behalf of the club. Mr. Lynn made a suitable reply and then he was promptly shouldered and carried to his home on West street, all singing "Tipperary" and other popular airs.

This spontaneous enthusiasm showed as well as any other incident the regard and esteem in which this popular athletic is held by his acquaintances in Brantford.

First Baseman Kelly of N. Y. Yankees is Secured by Guelph

Guelph, July 28.—Robert Kelly, a first baseman secured by Manager Knobby Lee from the New York Yankees, reported here last night and will be used for the first time against Brantford to-day. Kelly has been with the Yankees all season, but has not been used, as there has been no place for him. He ranks high as a fielder and is said to be a first-class hitter. Manager Lee has lines out for another first-class pitcher. No other changes have been made in the team.

PADDY DAUGHERTY PITCHES NO-HIT GAME

London, Ont., July 28.—Paddy Dougherty, Hamilton star left hander scored a no-hit game against the Tecumseh's yesterday. His fine pitching was marred by two errors and five passes, and the final score was 2 to 1 in favor of the visitors. Dougherty struck out eight batsmen.

Last Rounds of Labatt Trophy

London, Ont., July 27.—The second day of the W.O.B.A. tournament saw all the rinks, including the Queen City rink, eliminated in the Labatt Trophy, but four. Two London rinks, Aylmer and Ridgetown rinks will fight it out to-day in the semi-finals and finals. Had Queen City won the trophy this year they would have become permanent owners.

The London Rowing Club rink, skipped by J. McDougall and A. M. Heaman of the Thistles, clash in the semi-final and one of these, if successful in the final game, will put the Labatt trophy out of competition, as both local clubs have won it on two previous occasions.

The Toronto rinks are still in the Association event. Fifty pairs enter the Scotch doubles to-day.

FIGHT AGAINST SUNDAY BASEBALL WAS RESUMED

Ottawa, Ont., July 28.—The fight against Sunday baseball was continued in the Hull court yesterday morning, when the Ottawa baseball club officers answered to several charges laid by the Lord Day Alliance Association, viz:—

"That they unlawfully conducted a game at Dupuis Park, Hull, on Sunday, May 23; that they unlawfully advertised the game and that they unlawfully employed Dolan, Lage, Peterson and Powers for work on that day. ITALIANS ARE MASTERS OF THE LOWER ISONZO

Latest Despatch Tells of Successes Controlling Carso Salient.

Special Wire to the Courier.

London, July 28.—A Daily Mail despatch from Chiasso says: "The Italians now are masters of the Lower Isonzo, and they hold all the dominating points on the western Carso from which the Austrians could disturb the passage of the river."

"After the occupation of Mount San Michele on the northern ridge of the Carso plateau, they now have conquered Mount Sei Busi, four hundred feet high on the eastern ridge, the Secolo di Milan, receiving from Montefalco the following message: "Our troops have achieved another notable success in winning Mt.

Sei Busi from the enemy after a desperate battle. Four times the bersaglieri reached the top of the hill where the Austrians were strongly entrenched, and four times they were repulsed with heavy losses.

"When night came the fighting was continued with unabated fury, the battlefield being illuminated by magnesium bombs, which burst in the air and dropped their lights like falling stars.

"Early in the morning the bersaglieri delivered the fifth attack, which proved successful, the Austrians being exhausted. One regiment of our Alpini succeeded in turning the hill and cut off their retreat. We captured 2,000 prisoners and much war material."

"News from other points on the Isonzo front confirms the steady progress of the Italians everywhere."

TEA IN THE TRENCHES

It is said that tea is the favored beverage of the soldiers in the trenches. It is certain that tea is the most refreshing and sustaining drink under the circumstances, and it has good warmth-giving qualities. It is the first experience of tea for many of the soldiers, and the taste will undoubtedly spread when they return to their homes after the war. In fact, everything points to a greatly increased consumption of tea all over the world, and as the supply is insufficient to cope with it, the high prices now obtaining may continue for some years.
