**WOMAN'S HEALTH NEEDS CONSTANT CARE**

Work and Worry Leaves Her a Victim of Many Distressing Ailments.

Every woman's health is peculiarly dependent upon the condition of her blood. How many women suffer with headache, pain in the back, poor appetite, weak digestion, a constant feeling of weariness, palpitation of the heart, shortness of breath, pallor and nervousness. If you have any of these symptoms you should begin today to build up your blood with Dr. Williams' Pink Pills. Under their use the nervous energy of the body is restored as the blood becomes red and pure and the entire system is strengthened to meet every demand upon it. They nourish every part of the body, giving brightness to the eye and color to the cheeks and lips.

Mrs. Jas. S. Francis, Oakwood, Ont., says: "I should have written long ago to tell what Dr. Williams' Pink Pills did for me, but I suppose it is better late than never. In June, 1913, I had to go to a hospital for an operation for female weakness. I was in the hospital for a month, before I was able to get home. Three weeks after this I started for a trip to the Pacific coast, in the hope that my health would further improve. On the way I stopped to visit a sister in Southern Alberta, and on arriving at her home (after a 35 mile drive) I was completely done out. I found my sister ill, her baby having been born the week before. As there was no one to help, I had to take care of the child and do the household work, and in the three weeks that passed before my sister took charge I was completely worn out, and again nearly ill. However, I started on my westward trip, and decided to stop off at Banff, where I remained a week, but it did not seem to help me, and I resumed my journey. On the train I took sick, and could not eat, and as I was alone my condition was pitiable. Finally the porter wired ahead to North Bend for a doctor to see me. The doctor wanted me to leave the train and go to a hospital, but I determined to continue my journey to Vancouver. The medicine the doctor gave me did not help me, and I was getting worse all the time. And then a young man who had the opposite berth asked me if I would try Dr. Williams' Pink Pills and gave me a box he had. I used these and the porter got me two more boxes, and by the time I reached my journey's end I was feeling some better. I stayed two months on the coast, and continued taking Dr. Williams' Pink Pills all that time. I had gained in weight and appearance, and when I started for home I felt better than I had done for years. Now I always keep Dr. Williams' Pink Pills in the house, and both my husband and my young daughter have been benefited by their use. I bless the day that young man on the train gave me his box of pills, otherwise I might never have tried them, and would have still been an invalid."

You can get Dr. Williams' Pink Pills from any medicine dealer or by mail, from the Dr. Williams' Medicine Co., Brockville, Ont.

**A LETTER FROM SIR FREDERICK FRASER RE RECRUITING.**

Halifax, N. S., Feb. 19, '16. To Editor of The Advertiser: Sir:

Among the many products of Nova Scotia there is none of which she may be more justly proud than her splendid manhood. Her sons are intelligent, industrious and brave and have attained to the highest positions of responsibility in our own and other lands. But never has this manhood received a more urgent and noble call than at the present hour. Canada has authorized an army of a half a million men. This is a strenuous but glorious demand upon our resources. 5,000 of these must be raised at once in Nova Scotia. Our Province has given generously already. Not a few of our lads who had been successful abroad have flocked home to join the colors. Now comes the summons for every available man. Nothing is any longer of consequence but to win out and to obtain security and freedom for the future. In this appeal the Recruiting Committee rely with implicit confidence upon that patriotic co-operation that the press, and your paper among others have given, since the very inception of the war.

The arrangements for enlistment are most attractive. The new recruits are to be bracketed in a Highland Brigade along with the 85th, one of the finest bodies of men ever gathered on our shores. The very act of enlistment, even should a soldier never fire a shot, will do something to hasten the victory. The enemy is surveying with evident uneasiness the swelling ranks of the British Army. The moral effect of a universal response would be stupendous. If we join in dribbles, no one can tell how long the agony will endure; if we all join together, the end is in sight. The enemy is overwhelmed. There are glens in Scotland without a man, shall it be so in New Scotland? Never has cause been more honorable; never has peril been so deadly. Life, love and liberty are at stake; the ruin of Belgium and Serbia must be averted. Therefore:  
"For all we have and are  
For all our children's fate  
Stand up and meet the war  
The Hun is at the gate."  
Yours faithfully,  
**C. FREDERICK FRASER,**  
Acting Chairman Nova Scotia Recruiting Association

The following letter has been received by us for publication:  
Dorchester, Mass.,  
Feb. 15, 1916.

I would like to have you help me through the columns of your paper to locate the following: It is the relations of Emma Jane Lamman, her mother was born in Nova Scotia and was buried there. Her maiden name was Mary E. McDonald, and married John Lamman, Emma was born at 49 Wall Street, Boston, Mass., on Oct. 11, 1891. Her God parents were James Rourke, and Sarah Lightfoot both of Nova Scotia. This girl is very anxious to find out where her mother was buried, and about her relatives if any. She was left alone an infant, and knows nothing about any of them. Any assistance you are able to render, will be gratefully received by
