THAT'S RIGHT, SANITARIS

No Delay in Filling Orders Because of the Big Fire at Arnprior.

It is a pleasure to hear of the pluck and energy displayed by the officers of Sanitaris, Limited, after the destructive fire, which gutted the entire bottling works at Arnprior, Ontario, on August 14th.

The building, machinery, and hundreds of cases of Sanitaris Mineral Water were a total loss, yet with instant push new machinery was ordered, and a week after the fire, pressing orders were being shipped.

Fortunately for Sanitaris, Limited, the new plant, which was being erected at the time of the fire, was completed in about two months.

This will be one of the finest works of the kind in Canada. It is a building 80 by 40 feet, two stories high, with a single story wing, 30 by 20 feet, equipped with the most approved types of bottling apparatus.

This shows the rapidly increasing demand for Sanitaris Mineral Water, which is now used all over Canada.

THE STAGE

ANNOUNCEMENTS

(Supplied to The Planet by Press Agents.)
At the Brisco Opera House—

"THE ARRIVAL OF KITTY"

"The Arrival of Kitty," conceded by press and public to be the best and brightest comedy production now on tour is the offering at the Brisco Opera House, for matinee and night on Monday, Sept. 3rd. The comedy, which seems a comedy, is presented as the performance is bright, lively, snappy and entrancing and local theatre-goers, who relish tuneful music and excellent dialogue, presented by an excellent cast of players, may look forward to one of the most satisfying entertainments ever presented. The ingenuity and treatment of the plot have compelled the theatre-going public to sit up and take notice, and when this decided and popular comedy success is presented here the theatre-going public of this city will have an opportunity of witnessing what proved to be the greatest comedy hit last season.

The C. S. Williams Company, owners and directors, have given the production a most lavish scenic and costumes embellishment, and the production will be seen here in the same form that has characterized its success.

Better Than Spanking

Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box 4, Windsor, Ont. will send free to any mother, with successful home treatment, with instructions. Send no money, but write her to-day if you children trouble you in this way. Don't blame the child; the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.
