Stomach Trouble and Rheumatism Relieved By "Fruit-a-tives"

MR. L. LABRIE

594 Champlain St., Montreal. "I have been restored to health by taking 'Fruit-a-tives'. For two years, I was a miserable sufferer from Rheumatism and Stomach Trouble, I became very weak, had frequent dizzy spells and when I took food, felt wretched and sleepy. I suffered from Rheumatism dreadfully, with pains in my back and joints and my hands swollen.

A friend advised me to try Fruit-atives' and from the outset, they did me good. After I had started the second box, I felt I was getting well and I persevered in the treatment. I can truthfully say that 'Fruit-a-tives' is the only medicine that helped me.
