GERMAIN STREET,

New Market Hall,

ST. JOHN, N. B.

HAVE had a great run ever since  
 the season opened. Here Mr. A. B.  
 Sheraton has one of the finest warehouses  
 in Canada, certainly the most spacious  
 and convenient of any in the Maritime  
 Provinces. The room is 80x60 feet, with  
 a 12 ft. gallery all around, and is lighted by  
 50 large windows, forming a most cheer-  
 ful, airy and pleasant place wherein to  
 spend an hour in the deliberate purchase  
 of an important household duty at  
 this season of the year—the study and  
 selection of new carpeting. The stock  
 of carpets here offered to intending pur-  
 chasers is quite bewildering, as regards  
 variety of make, pattern and style, but  
 while many may be in doubt as to the best  
 selection to make where so many new and  
 beautiful designs are offered in the  
 Tapestry (Crosley's choice), All-wool  
 Scotch, Union, etc., there is not the  
 slightest doubt in regard to price, which  
 is agreed in regarding as hitherto unprece-  
 dented in cheapness in this city. The hall  
 and stair carpeting, the felt draughts and  
 squares, the coons and manilla matting,  
 the mats, rugs, and stair coverings, are  
 presented in great variety and at prices  
 which place first-class goods within the  
 reach of all. There is also a great display  
 of floor oil cloths, in all widths up to 30 ft.  
 and of the latest designs in English and  
 American goods; Curtains, Mantles in  
 every variety and fashion; gilt and walnut  
 Cornices and handsome gilt cornice poles;  
 as well as mattresses, pillows, bolsters and  
 other necessary household articles. The  
 establishment is complete in all its de-  
 partments; and the rush of business which has  
 rendered work necessary far into the night  
 attests to the satisfaction which buyers  
 have received at Mr. Sheraton's hands.  
 Carpet cleaning, by steam, is also con-  
 ducted at this establishment; the charge is  
 only four cents per yard. Mr. Sheraton  
 has been fortunate in securing the services  
 of Mr. J. W. Lingley (formerly of Sheraton,  
 Son and Skinner) as buyer and book  
 keeper, and in the latter extending to  
 customers, he has also the able assistance  
 of Mr. Robert Thompson (from the same  
 house)—both well known and highly re-  
 spected in this line of business. Al-  
 though the new firm has made up its  
 opening and entered upon its campaign  
 cheered by the patronage and medical ad-  
 vance of a host of friends. [June 21]
