HOLLOWAY'S PILLS

Let no one be longer in motion that his health is in purifying Pills have had a most remarkable success and therefore completely remove diseased actions, raise the temperature, have the obscured kidneys, cleanse pure blood, and easier on every function healthy vigour.

Impurities of the Blood.

These wonderful Pills are valuable for the healthiest health as well as in the highest degree comfort and wealth. They work a thorough purification throughout the whole system without disordering the natural action of any organ, and eradicate those general complaints which consign tens of thousands to an early grave.

Indigestion, Bilious Complaints and Sick Headache.

No organ in the human body is so liable to disorder as the Liver, and none is more apt, when neglected, to become seriously disordered. Remember when nausea, flatulency, or acidity on the stomach warns us that digestion is not proceeding properly, Holloway's Pills regulate every faculty, give strength to every organ, speedily remove all causes of indigestion, bile, and sick headache, and effect a permanent cure.

Weakness and Debility.

In cases of debility, languor and nervousness, generated by excess of any kind whether mental or physical, the effects of these Pills is in the highest degree brain reviving, and restorative. They drive from the system the morbid causes of disease, re-establish the digestion, regulate the secretions, strengthen the nervous system, raise the patient's spirits, and bring back the frame to a pristine health again.

Tum of Life and Dropsical Swellings.

The tum of life is the most distressing period in woman's existence; it destroys thousands. The whole of the gross humors collect together, and like a tide sweep away health and life itself, if not timely powerfully checked. The most certain antidote for all these dangers is Holloway's Pills. Armed with them the fiery humor is passed through, and the sufferer is once more restored to the possession of unimpaired health. It is but little known that at the so-called "turn of life," man also, when verging on fifty or fifty-five years, discovers that his health is considerably deranged and knows not the cause—a critical period in his life. All perils to both sexes are at once removed by recourse to these Pills.

The Kidneys—their Derangements and Cure.

If these Pills be used according to the printed directions and the directions repeated over the region of the kidneys for at least half an hour at bed time, as is enforced into most, will penetrate the kidneys and correct any derangement. When the affection be severe or given up, it is strongly recommended that the Ointment in such cases be used night and morning by its judicious application the most astonishing cures may be performed.

Holloway's Pills are the best remedy known in the world for the following diseases:
