

A DOCTOR IN A TIN BOX!

Sounds strange, does it not? Yet that is how Mr. J. Cartier says Zam-Buk is regarded by his family. Mr. Cartier, who is a member of the family of the late Sir George Cartier, is Justice of the Peace and Assistant Clerk of the Circuit Court, Montreal. He first discovered the wonderful power of Zam-Buk by using it for eczema, which it completely ended. Since then his family is never without it. "Allow me to express my gratitude," he writes, "for the benefit I have derived from the use of Zam-Buk. I have proved that it is, without doubt, the finest remedy for eczema. Its general healing and curative powers are immense. We call it 'Our Family Doctor,' and are never without it."

Mothers should see that Zam-Buk is always handy, for not only does it end pain, draw out inflammation and prevent blood-poisoning, but it heals skin diseases and injuries in the shortest time possible. All dealers, 50c. box.

NEW STAMP RULES

After October 1 next postage stamps will not be accepted for the war duty on checks, receipts, and bank drafts. Furthermore, it is announced by the post office department, the excise stamps for this purpose will not be sold at post offices. This, it is contended, would lead to confusion, as postal matter might be mailed with excise stamps instead of with the correct postal stamps. The excise stamps are to be sold at banks and such other places as may be designated by the department of customs and excise. On money orders and postal notes the war tax will continue to be paid by affixing postage stamps.

Then you will know how superior a range may be—and why it relieves cooking and baking of ordinary care and distractions.

For a generation the Kootenay has been a good baking range—and now its endurance is extended beyond all former records of long service.

"King Cole" Preferred

A growing preference is expressed for KING COLE TEA. What other explanation could there be for its persistently increasing sale? Every year of the twelve that it has been before the public has marked its strong steady advance. A good long testing time—long enough to prove the merits or reveal the weakness of any article.

Public confidence has been demonstrated in no uncertain way. The testing stage has been passed with honour.

Have You Any Of These Symptoms?

If You Have, You Are in Need of a Tonic Medicine

Are you pale and weak, easily tired and out of breath on slight exertion?

Are you nervous? Is your sleep disturbed? Do you wake up in the morning feeling as tired as when you went to bed? Is your appetite poor, your digestion weak, and do you have pains after eating?

If you have any of these symptoms you need a tonic, and in the realm of medicine there is no better tonic than Dr. Williams' Pink Pills, which enrich the blood, restore shattered nerves and bring the glow of health to pale cheeks.

The value of Dr. Williams' Pink Pills is shown by the case of Mr. Horace Cuphill, Woodward's Cove, N. B., who says:—"The first indication that my general health was not good was a shortness of breath after the least exertion. Then my appetite began to fail, and after eating it seemed as if there was a lump in my stomach. I grew so weak that I could not walk a hundred yards without resting. Then I was taken with a numbness all over my body and was in a sad plight. I was under a doctor's care, but as I was not getting better, I decided to try Dr. Williams' Pink Pills. The first few boxes did not seem to help me, but my wife urged me to continue their use and I got four boxes more. Before these were gone I could eat a fair meal, the numbness was leaving me and I was feeling much better in every way. I took the pills for a while longer, and felt that I was again a well man. I still take the pills occasionally, but have had no return of the old trouble."

You can get these pills from any dealer in medicine or by mail postpaid, at 50c a box, from the Dr. Williams Medicine Co., Brockville, Ont.

GIDDAP

O horse, you are a wonderful thing; no buttons to push, no horn to honk; you start yourself, no gears to strip; no license buying every year, with plates to screw on front and rear; no gas bills climbing up each day, stealing the joy of life away; no speed cops chugging in your rear, yelling summons in your ear. Your inner tubes are all O.K., and, thank the Lord, they stay that way; your spark plugs never miss and fuss; your motor never makes us cuss. Your frame is good for many a mile; your body never changes style. Your wants are few and easy met; you've something on the auto yet.
