The "Club" Break- Tramp-" N> mum. Ive got an fasts are an excellent feature, which appeals to many travellers. The attendants are courtoeus and obliging, and don't appear to be always looking

for a "tip. The fine, heavy double track of rails etween Toronto and Niagara Falls makes it possible to run that distance without delays of any kind, and you are landed at your destination right on time to the minute. The great improvements on the main

ine east, between Toronto and Montreal, have been very costly, and have in some cases meant the almost entire reconstruction of the road. The line has been straightened, the grades lessened, and " Truth " is told that very shortly a train will be put on between Toronto an I Montreal that will make the distance in very much less time than even The International Limited

doss now. "Truth" seldom travels on railway asses; the above statements can therefore be considered perfectly unbiased, and are made purely because of the excellent facilities afforded the general public, and because of the pride " fruth " feels in one of our great national highways.

We baspeak great things for the Grand Trunk Pacific Railway on its completion,-Toronto Truth,
