Two Women drowned.

Banff, Alta., June 20—Eva Ballens and Lily Sutherland, each 25 years of age, and employed at the Banff Springs Hotel were drowned late yesterday afternoon when a raft on which they were standing careened over Spray falls.

The two girls and five male employees at the hotel were standing on the raft which was tied to the embankment at the confluence of the Bow and Spray rivers. The fastenings broke and the raft rushed out into the swirling water of midstream. Four of the men, whose names cannot be learned, sprang overboard and swam for shore, leaving the women to their fate. The fifth man made frantic efforts to run the raft to safety, but failed. He was later rescued in an exhausted condition.

Hurricane And Cloudburst.

Lethbridge, Alberta June 20—A combined hurricane and cloudburst struck Lethbridge yesterday, and considerable damage is reported.

The city spent the night in darkness, owing to the disabling of the power plant, and in loneliness as telephone communication in the city and on the rural lines was partly destroyed.

The gale ripped the roof of several houses, permitting heavy damage by water.

Several barns, outhouses and fences were blown down and many trees destroyed.

In some sections of the city, shacks were rolled about like boxes and piled on one another.

Rain came down in a perfect deluge and scores of cellars are flooded.

The precipitation, which in an hour here, amounted to 1.11 inches was general over the south country.

For The Far North

Victoria, June 18.—Karluk with the Stefansson expedition aboard got away late this afternoon. At 1.30 o'clock this morning the Karluk turned within hailing distance of the navy yard wharf, where the Lieutenant Governor and Sir Richard McBride boarded the vessel, wishing Godspeed to the members comprising the expedition. The Karluk cruised in the harbor this morning adjusting compasses and at 3 o'clock cleared for the north.

There was an interesting conversation about the Karluk yesterday afternoon when a deputation of civic dignitaries composed of Mayor Morley and a number of aldermen presented four Canadian flags to the captain of the vessel. Mr. Stefansson was charged with the safekeeping of the flags, which will be planted on any land that comes within the British Empire as the result of discovery made by the expedition.
