Hr. Grace Notes.

The young lady who lost her purse
containing a sum of money at the
Please U, on Tuesday night, writes to
thank Mr. T. J. Freeman for finding
and returning the lost property.

Should yourself or any of your
household hear cats in your back
yard during the night, for goodness
sake say nothing about it, as the re-
port will soon become circulated that
your house is haunted. This is just
what happened here a few days ago.

Miss Wallace, teacher at Victoria
Street School, whose interest in her
scholars was so great that she com-
menced school too soon after her re-
cent illness, was again compelled to
seek the doctor's advice on Sunday
last, and was ordered to remain in-
doors until Thursday, when she re-
sumed her school work. Her many
friends will hope for a complete and
speedy recovery from the effects of
la grippe.

The sad news was passed along the
wire on Monday that Mr. Frank Hen-
nessy, second son of our old town-
sman, J. J. Hennessy, Esq., had died in
hospital at Michigan. The particu-
lars are meagre up to the present
writing; but it is said the young man
died in hospital where he had been
under treatment for some internal
trouble. Frank Hennessy was a very
popular young man, and his many
friends here and elsewhere will re-
gret to hear of his early death.

By Monday's mail the sad intelli-
gence reached Mrs. William Hennessy
that her sister, Mrs. Sarah Cram, wife
of P. J. Cram, now residing in Water-
town, U. S. A., had succumbed to
stomach trouble after being in St.
Elizabeth's Hospital for four days.
Mrs. Cram was a sufferer from this
trouble while she was here, and it is
said has been gradually getting worse
since removing to the United States.
To the sorrowing friends we offer our
deep sympathy.

Mr. Arthur Grubert, a Harbor Gra-
dian, who has been very successful in
Montreal, and who is now manager of
that large and growing business, the
Union Brewery Co., of Montreal, is
now in his native town of a visit
to his aunt, Mrs. Patrick Walsh, of
Riverhead. Mr. G. is we learn on a
trip to the Old Country and came this
way so as to see some of his old
friends. We welcome Mr. Grubert
and trust that his visit will be a most
agreeable and beneficial one.

Ventures Gone North.

The S. S. Adventure, Capt. Couch,
and Belladventure, Capt. Rendell,
sailed for Pool's Island and other
ports this morning to bring up the
crews of A. J. Harvey & Co.'s seal-
ing ships. Mr. Tattersall, the wire-
less operator, went on the Adventure,
and on the run will exchange signals
with Cape Race to test the wireless
outfit which it is believed will turn
out excellently. The messages will
be transmitted from Cape Race here.
Mr. Sarnoff who put the wireless in
the Beothic goes on her to the north-
ward to-day and will test the wireless
also. The operators who will go to
the sealfishery in the Ventures will
arrive here by the Durango.

Rev. Henry Dunfield Seriously Ill.

We regret very much to learn of the
serious illness of Rev. Canon Dun-
field, Curate of St. Thomas's Church,
this city. The rev. gentleman has
been unwell for over two weeks, but
yesterday his condition became criti-
cal. At the services in St. Thomas's
Church last night Rev. G. R. Godden
referred in a touching manner to the
sad circumstance and asked the pray-
ers of the congregation for his recov-
ery. Mr. Godden was greatly affect-
ed in referring to his brother clergy-
man, the friend of many years, and
was unable to continue the service.
In common with the whole community
we hope soon to hear of an improve-
ment in the esteemed clergyman's health.
