Man Falls Overboard.

An old man named Kennedy, one of the passengers of the S. S. Portia, fell overboard this morning when coming ashore. He tripped on a board on the wharf and was thrown into the water. He made no alarm whatever, and quietly swam to a boat that was tied to the pier. Constable O'Flaherty who witnessed the accident jumped into the boat and took the man out of the water. He was apparently none the worse for his cold bath.

Weather Up Country.

Yesterday was the coldest day for the season along the line of railway. At the Quarry and at Bishop's Falls, the thermometer registered 20 above, and during the forenoon the snow that fell on Saturday night drifted at these places. At Port aux Basques it was much milder, the thermometer being 38 above. About 4.30 p.m., a S. W. gale accompanied by rain, swept over the country from Port aux Basques, and reached the city about midnight.

Crescent Picture Palace.

Messrs. Walsh and McDonald, duet singers, will appear at the popular Crescent Picture Palace this evening in the latest songs hits and ballads. These two gentlemen come highly recommended and no doubt will give the music-loving patrons of the Crescent a delightful musical season. The marvelous three reel historical feature that the Crescent management are showing to-day has been shown in New York, Boston and all the large cities of America to crowded houses and is a masterpiece even for the Bison Biograph Company, the producers. The Scopy Rebellion with Sir John Haverlock and the British Army marching to relieve the garrison is a feature of this great work, "The Death Stone of India."

There are also two first-class comedies: "Cupid's Bad Aim" and "Two Hearts and a Thief," with the famous Nestor Comedy Trio, Lyons, Moran and MacDonald.

The Crescent's motto: "Nothing but the best" is exemplified in this big show.

Laughs With Joy! No More Indigestion

Montreal Man so Ill, Thought He Would Die of Stomach Trouble.

Found a Simple Remedy That Has Kept Him Well Ever Since.

The experience of Mr. Larose is one very common to-day:

"I suffered from dyspepsia and indigestion for five years. I suffered so much that I could hardly attend to my work. I was weak and lost all courage. I enjoyed no rest until I decided to follow your treatment. To my great surprise I immediately began to feel better. I am now using the second box of Dr. Hamilton's Pills, and I feel so well that I want to tell you that I owe this great change to your famous pills. I recommend Dr. Hamilton's Pills to every person who is suffering from dyspepsia. Your grateful servant, D. R. Larose, 338 Joliette street, Montreal, P.Q."

All who have weak stomachs, and those who suffer with indigestion, headaches, biliousness, can be perfectly cured by Dr. Hamilton's Pills. 25c. per box, at druggists and storekeepers, or the Catarrhzone Co., Kingston, Ont., and Buffalo, N. Y.

T. A. Meeting.

The regular monthly meeting of the T. A. and B. Society was held yesterday afternoon. The Spiritual Director, Rev. Fr. Pippy, was present and addressed the gathering.

A letter from Asst. V. P. Quarter Master Summers, of the Newfoundland Regiment, was read. He reported all the members of the society with the regiment well and said they had enjoyed the run over. It was decided to send Christmas presents to the members serving with the regiment.

Resolutions of condolence on the death of His Grace Archbishop Howley were passed and will be forwarded to the Administrator of the diocese.

Sulphate of Ammonia.

St. John's Gas Light Company.

Dear Sir,—I have analyzed a sample of Sulphate of Ammonia made at your Works, and I found 20.5 per cent. of NITROGEN, Sulphates of Ammonia and Nitrate of Soda are the two principal Nitrogen manure.

Sulphate of Ammonia is less soluble than Nitrate of Soda, consequently it is a safer manure to use during a wet season.

Yours truly,
D. JAMES DAVIES, B.Sc., F.C.S.,
Analyst and Assayer

Sent to Court Martial.

Three Aylesbury residents, Lieutenant Lee Stewart, of the Bucks Territorial Force, Mr. H. P. Bartlett, editor of a local paper, and Mr. Moore, servant of the latter, were detained by the police at Aylesbury on Saturday on an alleged offence under the Defence of the Realm Act, 1914.

The section under which the arrests were made states that no person shall, either by word of mouth or in writing, spread reports, likely to cause disaffection or alarm among any of His Majesty's forces or among the civilian population.

The accused were brought before local Bench and after formal evidence were handed over to the military authorities to be tried by court-martial.—London paper.

More Fires.

Fires provoke immediate sympathy for the sufferer and also thankfulness for personal escape. Another thought should be whether one is personally and sufficiently protected? An insurance policy with Percie Johnson would provide for you this desired security and at small expense. Have you enough insurance?
