Smart **Blouses!**

Our Ladies' Dept. is now displaying a remarkably choice selection of Blouses in Crepe de Chine, Silk and Georgette Crepe. These Blouses are distinctly characteristic in style and illustrate Fashion's latest fancy in sleeves and collars, the former are all long with dainty cuffs, while the latter are very deep and quaintly cut.

The new surplice neck is very much in evidence and the entire stock is as charming and up-todate as it can possibly be.

The leading colors are Flesh, Coral and Blue, but there is a wide choice of lovely colors, also Black and Black and White.
