WEDDING CAKES. STEWART'S FANCY BAKERY.
The Wedding Cake in the Marriage Ceremony occupies a central and altogether unique position and is rightly considered indispensable to the success of the function. It is peculiarly the Bride's Cake, and is an object of thoughtful care and concern. It must not be only ample in quantity and of the best quality, but also from an artistic point of view, worthy the occasion.
STEWART'S FANCY BAKERY do not hesitate to claim for their Wedding Cakes a position unequalled for quality, artistic finish and good value. The materials used are the finest, and the workmanship is such as ensures complete satisfaction.
It is to be understood that no matter what size cake may be ordered the quality of the materials used is the same.
