vided all department heads and cer-tain office employees. In connection with the factory, a special premium store was opened some years ago on Water Street, and here will be found

a valuable stock of presents which are exchanged for coupons, packed in the companys cigarettes. To at-tempt to give a detailed description

of the manufacture of cigarettes and tobacco is impossible and in the lim-

tted space at my disposal, but I hope that what explanation I have given will be found sufficiently clear.

Finally, I should like to thank Mr.

Hartnett for his kindness in showing

me through the plant and for his ex-

plicit explanations of the various

processes in the manufacture of the

WALT MAJON he's yelling wild

songs of land and sea. It's then that

I would sleep and slumber, with

folding of the hands; and Jinx, his

voice like sawing lumber, beneath

my window stands. I try to love

James Towhead Baker, whose house

is one door west, but he's a sad and

tiresome faker who has one ancient

jest: it is_a bald and hectic story

that Noah shooed away; and that old

varn, so stale and hoary, James tells

me twice a day. I try to love old

Thomas Title, but I loathe politics,

and hate discussing topics vital with

chew-and-argue hicks. And Thomas

never tries to twitter of any other

theme; so loving thoughts grow sad-

ly bitter, and sympathy's a dream. I

thought one time I was succeeding in

loving Hiram Jones, and then he had

me pinched for speeding, which cost me fifteen bones (\$15). My heart is

full of loving kindness, with impulse

high and strong, but neighbors, in

their willful blindness ,all get them-

Four-Power Treaty

Assures World Peace.

The following statement by Robert

Dollar, head of the Dollar Steamship

Lines, and a well-known authority on

Far Eastern questions, appears in the

current issue of Forbes Magazine

To those of us who are trying to

develop American commerce across

the Pacific, the Four-Power Treaty is

the greatest boon we have ever had.

Only those who were in close touch

with the situation knew that war with

Japan was certain and that it was

not very far away, perhaps only a

few months. Several months ago

one of our high naval officers gave

that I have heard. He said, "The

situation between Japan and Ameri-

ca resembles two fast express trains

rushing towards each other at full

speed on a single track, approaching

the inevitable result—a terrific col-

Therefore, President Harding, who

had the foresight to see the approach-

ing crisis and the wisdom to call the biggest men of the world together in

Washington to decide ways and

means of averting this rapidly approaching calamity, deserves not on-

ly the thanks of every American

citizen but the people of the whole

world. The people of Europe have

certainly had enough of war and we

were on the eve of having a terrible

experience on the shores of this Paci-

Now that the peace is assured, we

can go on developing our commerce

and the greatest commercial progress

that the world has ever seen will re-
