

Municipal Council.

WEEKLY MEETING.

The regular weekly meeting of the Municipal Council was held yesterday afternoon. Deputy Mayor Martin presided and Councillors Outerbridge, Macdonald, Collier, Ryan and Downes were present. After confirmation of the minutes of the last meeting, the following matters were disposed of:

A communication was read from Inspector General Hutchings, in which he stated he was organizing a Fire Prevention Campaign, to be held the week commencing 20th instant. Fire prevention week is now an established institution in the United States and Canada, and has proven a great incentive in the conservation of national wealth in the protection of life and property from destruction by fire. The Inspector General is to be congratulated on his activities in this respect, and the Council endorse his plans and assure him of their hearty cooperation.

The residents of Cornwall Avenue, in view of wells in that locality having gone dry, that a water supply be given them. Arrangements are being made to facilitate the residents in this respect.

H. Taylor, Casey Street, drew attention to the condition of the sidewalk on this street. Same will be attended to by the Roads Department.

W. Cummings, LeMarchant Road, asked that water main be exposed to his dwelling. If the applicant pays his portion of cost his request will be accepted.

Application of Messrs. Maidment & Spence, for permission to install an electric motor on their premises for the purpose of running light machine machinery, was referred to the City Engineer, who if satisfied will issue permit.

The Bennett Brewing Co., Ltd., drew attention to the fact that owing to neglect, it becomes choked on several occasions, has been the cause of considerable damage to the property, particularly so during the winter season. They asked that the employees of the Council be instructed to attend to same. The Engineer will investigate.

Mr. Kerraven, York Street, asked the view of his having installed water and sewer in his dwelling, that the present unsightly hopper in front of same be removed. It was decided that Mr. Kerraven has complied with the City Regulations, his request be granted and the hopper placed in another location.

The Plumbing Inspector reported that during the past week several large owners had complied with notification sent them and installed sanitary appliances in. He also stated that he had been served on other property owners in various sections of the City to install these very necessary appliances.

The following plans were passed, subject to the approval of the City Engineer—J. Bishop (garage), Penwell Road; A. Martin (extension), Saint Street; F. Lukins (outhouse), Bayward Avenue; Jas Strong and A. Bourne (dwellings), Hamilton Street and Mayor Avenue.

Plan submitted by A. Dwyer, for building off Gear Street, was not passed. No permits will be issued for buildings in this section until water and sewer mains are placed in the street and the property owners undertake to pay cost of same.

The City Engineer's report was read. Several matters mentioned therein were deferred for consideration to a special meeting.

It was brought to the notice of the Council that considerable dissatisfaction and inconvenience is caused the residents at the junction of King's, Ridge and Cove Roads, owing to combination horse-trough and fountain at present in this locality. It was decided that a separate horse-trough be placed there, and a drinking fountain for residents erected in a new location. This will remedy the many complaints received.

During the past few days, many persons liable for Poll Tax, on whom notices were served, made payment of the amount due for 1921. Some twenty-five summonses are now being issued for next week against those who have failed to recognize their liabilities in the matter. As per notice in the daily papers of the 11th instant, this tax is again due on the 13th instant, and all persons liable are given one month in which to make payment. At the expiration of that time, legal proceedings will be taken. A number of writs have also been served on parties owing City Taxes since 20th past.

The report of the City Health Officer for the week, showed five new cases of typhoid and one of scarlet fever. Several routine matters being discussed and the weekly accounts rendered paid, the meeting adjourned.

C.C.C. Band Promenade Concert, Prince's Park at 8.30 tonight. Hear the new Fox Trots: "If you look in Her Eyes" and "No Use Crying." Admission 50c. Total attendance last week 200 people. Larger attendance expected this week.—oct. 13, 1922.

Yates passed in the following order and served on toast: One hot tomato catsup, 1/2 cupful of 1 tablespoonful butter and 1/2 teaspoonful of Worcestershire sauce, and a little vinegar, mustard and paprika.
