Carctaker Scragg stated that there were certain repairs needed at the Exhibition Grounds. Referred to the engineer.

The engineer reported that he had written the Street Railway Company to the effect that the railway on Richmond street was dangerous, and that the city would not be responsible for any accident. The company replied stating that the city was responsible, and that if the paving was not done they would take legal proceedings to compel them. It was decided to let the company take the threatened legal steps.
