OUTLOOK FOR WHEAT.

Mary & Pendleton, Wall street, New York, write: Occasional reports from the Black Sea section and from France indicate some damage to European crops. The German crop is reported improving. In a general way, the prospects of increased demand from Europe have not improved as compared with that of 20 days ago. Actual purchases continue light. The Texas crop is not estimated at 15,000,000 bushels. "Prime" in the Daily Stockholder, says: "Weather has changed to just what was needed. We have had a backward spring, and under no circumstances can we have a bumper crop of spring wheat. I call prospects fairly good." Railway men as usual at this season are sending reports of the crop. Stocks available for either milling or speculation are very light. On the whole, between the bare bins and the fat fields, it looks like a season of scalping market, and we renew our advice to buy on breaks and take moderate profits.

HIDE MARKET.

Toronto, June 17.—Hides.—The offerings were light, there was a good demand, and the market was 15c higher than it was a week ago. Local dealers are paying 8c for cows and light hides, and 8 1/2c for steers. Sheepskins.—The season is nearly over. Local dealers are quoting \$1.25 to \$1.50 for any skins now offering. Lambskins.—The season is just beginning, there is a good demand, the offerings are only fair, and the market is steady, at 35c for lambskins and 25c for pelts. Calveskins.—The season is drawing to a close, and receipts are light; local dealers say that cutting prices are too high; No. 1 are quoted at 10c, and No. 2 at 8c. Tallow.—Dull and easy; local dealers are offering 2 1/2c and asking 3 1/4c.

PROSTRATION PREVALENT

MODERN WORK AND WORRY CAUSE SERIOUS HEART AND NERVE TROUBLES.

Here is what Mrs. C. B. Jones, of 424 Wellington street, London, Ont., has to say about the remedy that conquers heart and nerve troubles. Says Mrs. Jones: "I have long been troubled with extreme weakness of the nerves and general debility. Had frequent severe pains in my head, and scream if anyone came near me suddenly. My nerves were so shattered and unstrung that it was almost impossible for me to sleep at night. Rest I could not obtain. I was in a state of nervous and physical prostration when I commenced taking Milburn's Heart and Nerve Pills, which I got from W. T. Strong, our well known druggist, on the 26th day of November last. I began to gain strength of body and nerve force from the time I commenced their use. They have restored my nerves to a healthy condition. They enable me to sleep well, and get rest, building up my entire system. "Milburn's Heart and Nerve Pills are a splendid restorative for weakness and physical exhaustion, and as such I heartily recommend them."
