

Dyspepsia

Is difficult digestion, due to a weakened condition of the stomach, and its inability to properly churn the food; or to unhealthy condition of the gastric juice, too much or too little acid, too much or too little pepsin.

Hood's Sarsaparilla relieves all the distressing symptoms of dyspepsia because it promotes the muscular action of the stomach and intestines, aids nature in the manufacture of her own digestive secretions, which are far better than any artificial pepsin, unlocks the bowels, stimulates the kidneys and tones up their mucous membranes.

So prompt is its effect in many cases that it seems to have almost a magic touch.

Begin to take it NOW.

Suffered Everything—I was troubled with dyspepsia, suffered everything but food, could not eat without terrible distress. Since taking Hood's Sarsaparilla I eat heartily and I am well. Mrs. EUGENE MURPHY, Danbury, Conn.

Eat Three Times a Day—Hood's Sarsaparilla has cured me of dyspepsia. I never felt better, and eat three good meals every day. FRED POEHLER, 437 South Penna St., Indianapolis, Ind.

WEEKLY REVIEW.

Today's session was the worst of the week just closed because of the weather and heavy roads. Prices showed no change, and the quotations given yesterday are practically those upon which are based the closing of the week's business.

Deliveries of grain consisted of wheat, oats, peas, corn, barley and beans. All these were well represented, with the exception of the last. The general demand was good, and values fairly steady.

Oats and barley closed a shade easier. Seed barley and oats offered freely.

A few loads of grass, peas and garden vine peas for seed came in and sold at top quotations.

Red clover seed was easy; alsike was strong, and timothy much higher.

Hay declined during the week to 35 and 35.50, but struck 35 today.

AMERICAN MARKETS.

CHICAGO, March 11.—Speculators who are expecting a jumping bull market on the strength of the bullish interpretation of the government reserve report, were disappointed. There was an early, short-lived spasm of strength as a result of the bullish effect the report had last night on the curb, but rain in the south-west depressed wheat, and other pits lost much of the gains sympathetically.

At the close May wheat had lost 3/4c to 3/8c. May corn had gained 1/4c to 3/8c, and May oats were 1/4c higher. Local receipts of wheat were 82 cars, 1 of contract grade; Minneapolis and Duluth reported 256 cars, making a total for the three points of 338 cars, against 338 last week and 450 a year ago. Primary receipts were 457,000 bu. compared to 526,000 bu. last year.

Board clearances in wheat and flour equaled 240,000 bu. Breadstreak's report showed a decrease of 1,025,000 bu. of the world's visible supply. The seaboard reported 28 loads taken for export. Estimated receipts for tomorrow: Wheat, 15 cars; corn, 35 cars; oats, 15 cars; hogs, 80,000 head.
