Arnold Court Succumbs to Attack of Tetanus in Victoria Hospital.

#### ENT HOME FROM SCHOOL

Because He Was Not Vaccinated -Mother Was Afraid But Finally Consented.

Arnold Court, the 6-year-old son of Mr. John Court, 324 Wortley road, died at 11:30 this morning in Victoria Hospital, from lockjaw.

The disease is supposed to have been caused from vaccination. He was taken to the hospital yesterday afternoon suffering great pain, and although his case seemed comparatively rapid change for the worse, dying at the hour mentioned hopeful early this morning, he took a the hour mentioned.

The young lad had been vaccinated about two weeks ago. He had been sent to the Wortley road kindergarten, but had not been vaccinated, as the regulations called for, and he was sent

Mother Opposed to It. Mrs. Court had a prejudice against it, and she refused to have the operation performed. At last she decided to have it done.

und called in the family physician. The ad was vaccinated, and for two weeks the usual symptoms of vaccination were noticeable.

Sunday the boy was about, and there seemed to be nothing unusual about him, as he was bright and cheerful. Grew Very III. . On Monday morning he was quite

ill, a high fever being noticeable. complained that every time he tried to open his mouth it hurt him. "When I put my finger in my mouth bite it," complained the lad.

A physician was called, and, it stated, diagnosed the case as a cold.

Later the boy was seized with a par-bxysm, and his body stiffened. Case of Lockjaw. Another physician was called and Another physician was called and spy and "down Stratton." A signifi-the case diagnosed as lockjaw. He cant statement made by Mr. Shep-

ing, when he passed away. About two weeks ago we had him vaccinated, because we could not send They did not fill their contract, and him to school unless he was vaccinated," said Mr. Court. "My wife objected to it, but we thought we had better have it done and send him to There did not seem to be

anything wrong with him except that

on Sunday we noticed a peculiar odor

"On Monday morning we noticed that he was quite ill, and he told his in return for information, admittedly mother that she would have to carry him downstairs, as he could not walk. When he tried to walk we found him stiffened, and apparently very sore. We became worried, and sent for a doctor, who said the trouble

"Later, he complained about his mouth, saying that every time he put his finger in his mouth he bit it. little later he was seized with a fit, and straightened out. We called an-other doctor, and he said it was lockjaw. Then the boy was taken to the hospital.

A Painful Sore.

"On Sunday night the sore on his arm appeared to be very painful, as he complained when I undressed him, and asked me to be careful of it." Mr. Court did not know of the death of his son until he came home noon today. At 10:30 he was a the hospital, but the boy seemed to be resting easily. He had some work to do, and at the dinner hour he drove

A Painful Experience. The father was met by his son-in law, Mr. George Brown, and a re-porter, who told him that the child was dead. He was overcome with grief, and it was some time before he could control himself.

Mrs. Court was at the hospital where she had sat with her boy since early morning. To what extent the vaccination was

the cause of death is the cause of some difference of opinion. According to the statement of the family. they took excellent care of the wound The whole neighborhood is wrought up over the death of the boy, and they unanimously blame the vaccine. Dr. Hutchinson Speaks.

Dr. Hutchinson, medical health of ficer, states that he never knew of a case of lockiaw from vaccination. "I have vaccinated people for 25 years, and have yet to note a single case of blood-poisoning from that

MR. BENJAFIELD "We exercise every care, bathing the arm with a solution before injecting the vaccine, and giving strict precautions to prevent contagion. "Sometimes the arm does not heal very rapidly in the case of anaemic people, but there is seldom much dif

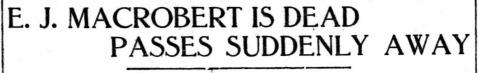

ficulty from that source. "I cannot see how lockjaw developed the Grand Trunk, has been offered the unless the lad in some manner got position of chief dispatcher of the something into the wound that would Pere Marquette at St. Thomas, and cause the disease. I cannot credit that it would be impure vaccine. The has accepted. He will commence his most of the vaccine comes from the new duties shortly. Mr. Benjafield is United States, although some is manufactured in Palmerston"

well known among railroadmen, and
is looked upon as one of the coming ufactured in Palmerston. Another Opinion.

Dr. John D. Wilson is of the opinion that the infection was given think that was the cause of death." hile playing at school.

"Lockjaw is caused by tetanus," said Dr. Wilson. "The infection is very likely to be found in old buildings of Mr. James Court. He is survived that are being torn down. I am of the opinion that the youngster was playing about the Wortley road school and scratched his arm with his finger, causing the infection. Mrs. The funeral arrangements have not found. There were two houses on the Greenland shore, one at Annatok, holding Cook's stores, and another tok, holding Cook's stores, and another that the youngster was been made.

Arnold Court was the younger son munications. There were two houses on the Greenland shore, one at Annatok, holding Cook's stores, and another taken that are being torn down. I am of the opinion that the youngster was by his parents and two sisters, Mrs. George Brown, and Mrs. Hattie, at at Etah, holding Peary's stores. The three white men, Whitney, Murphy and Pritchard, sometimes occupied one, and sometimes the other of these houses.

Well-Known Insurance Man Ruptured a Blood Vessel in His Head While Coughing-Had Been Ill and Specialist Advised a Rest.

He had been in failing health ever since January, but no serious symp-

Mr. MacRobert had only been confined to his bed since Friday last, and the news of his death will come as a very great surprise to a wide circle of Ontario, and he had in consequence a friends all over the country.

Ordered to Take a Rest.

A few days ago he consulted Dr. Bilings, the specialist, when he was here, and was ordered to take a rest and keep very quiet. Yesterday Mr. MacRobert stated to friends that he time, and seemed very bright and cheerful. But through this morning he had been troubled with a cough, and it seemed to increase in violence, About a quarter to 12 he had a very violent spell, and it was during this that the blood vessel in the brain was ruptured, which resulted in his death very quickly.

## **BECK STRING**

Photographer and Other Fine Horses Were Burned at Toronto.

ABOUT \$15,000

No Insurance, Says Hon. Adam Btck When Seen by The Advertiser-Lantern the Cause of Fire.

Four valuable race horses belenging to the stables of Hon. Adam Beck, of London, were destroyed by fire in the Grand Trunk yards at Toronto last evening shortly after 8 o'clock.

The string included Photographer, the 5-year-old; Moorshot, a 3year-old; and two 2-year-olds, Covershot and Crempenfeldt. The loss is very hard to esti-

mate, but it has been placed at \$15,000.

There was no insurance.

The four animals were shipped yes erday from the Woodbine to Hamilton. In the evening they were attached to a freight train for the west, and were in charge of Frank Dillon and William Palmer, two stable boys. As is the custom, a lantern was hung to the ceiling of the car at the

When the train started the lanters was knocked down and breaking, set fire to the hay and straw. The boys could do nothing with the flames and crawled out on the side of the moving train to save their lives.

At Spadina avenue some passersby saw the flames, and sent in an alarm. The train was stopped at Bathurst street by a yardman, and the car un The brigade speedily extinguished

the flames, but the horses were dead. They were badly burned. The car to the rear contained part of the string of Johnny Dyment, the well-known Barrie reiner, and had a narrow escape.

A Heavy Loss.

The loss will be a severe one. Photographer was the pride of the string. Competent horsemen state that he was the best race horse ever developed in Canada. He was by Phaeton, out of Snapshot, a well-known race mare also bred by Mr. Beck.

He was particularly proud of Photographer, and the loss will be a heavy one for him. As a 3-year-old, he was a starter in the King's Plate, but There were several cases of inter- was not in form, finishing outside the times, and won some races.

A Fine Four-Year-Old. In his 4-year-old form he was best, difficulty arises. ought action against Edwin Morden winning many stakes for Mr. Beck earnings of the stable. Among the Mrs. Morden some time ago traded Seagram Cup and others. This year horses with the plaintiff, and after the cups won were the Liverpool Cup, the breeding, and was entered for the King's Plate. He ran a nail in his foot in the spring, and had to let up in his

promising horse.

The other horses were well bred 2year-olds, eligible for the King's Plate, and were above the average. No Insurance.

"I cannot estimate the loss," said Hon, Adam Beck. "The horses were good ones, Photographer being an especially good colt. I had no insurance whatever." A Buffalo turfman estimated Photographer to be worth \$8,000.

#### WHITNEY ARRIVES AT ST. JOHNS, NFLD. mony of inauguration was performed by the Worshipful District Master A. T. Essery and his staff of officers.
