Her Face.

Pimples are caused, almost entirely, by bad blood, and there is only one way to get rid of them, and that is to get at the seat of the trouble by using a good reliable blood purifying medicine.

Burdock Blood Bitters has been on the market for 35 years, and is one of the petition the men claim that instead of petition the men claim that instead of a reduction there should have been an very best blood medicines procurable. After using it you will find that the pimples have disappeared, and you will have a beautiful clear complexion.

Mrs. Robert McNab, Badjeros, Ont., writes: "I am preatly pleased to report writes: "I am preatly pleased to report the benefit I have derived from the use of Burdock Blood Bitters. About a year ago I became so weak and run down I could scarcely walk, and pimples broke out all over my face. I tried one thing after another, but nothing seemed to do me any good. I was advised by a lady friend to try B.B.B. and before I had used one bottle I felt it was doing me good so I used three bottles, and I am now well and strong, and the pimples have all disappeared."
