GEORGE GIBSON LEAVES TODA

Returns to Pittsburg and Will Report to Pirates-Will Not Be Back in Game for a Couple of Weeks Yet.

George Gibson, Pittsburg's great catcher, who has been nursing sprained ankle for the past month of so on his farm just outside of Delaware, leaves this afternoon for Pittsburg to report to the Pirates again.
"Mooney" has been out of the game nearly a month, and he will likely be out for a couple of weeks longer. He would have liked to have remained on his farm until he was fully recovered, and ready to jump back in the game, but President Barney Dreyfuss and Manager Fred Clark are so anxious to have him back again with the team that he decided to go today. He is now able to walk without a cane, but

Has Taken Lots of Exercise. During the past three weeks that he has been walking on crutches at hi home, he has only put on five pounds extra weight, so that it will take him only a short time to get into condition again. Since he has discarded the crutches he has been taking long walks over his property, and is in good condition. He has been throwing the bal around quite a bit of late also, and has not lost any of his old ability to put the pill just where he wants it Expects to Regain Old Form.

Although his ankle will slow him up for a time, George expects that he will regain his oldtime form, and he working hard in an effort to do so. Had he not met with the injury he would undoubtedly have had the greatest season in his eareer, and the standing of the Pirates at the present time would be a great deal higher in the league race than it is at present

Surest road to health is by the frequent use of Dr. Hamilton's Pills; they will make you feel like new all over in a short time. Writing from his home in Barcelona, Mr. Frederick G. Mayer states: "I think no one ever suffered as severely as I did for nearly six months. So many serious symptoms were developing as a consequence of this evil condition of my system that I realized I must find a remedy. The strong pills of various kinds I tried seemed after their first effects were over to make me far worse and I did not know which way to turn for relief I saw Dr. Hamilton's Pills advertised and the first box used satisfied me. found a true remedy. Instead of griping with undue activity, Dr. Hamilton's Pills acted as naturally as if physic had not been taken. I never had to increase the dose, and, indeed, within a month I reduced it, and when the system finally acted of its own accord as a result of Dr. Hamilton's Pills, I took a dose twice a week only, just to make sure the old condition would not come back."

Giddings' Colt Bee Hive Established New Mark in Fourth Race Yesterday.

Toronto, May 27. - The record attendance at Woodbine Park on Saturday, the opening day of the O. J. C. spring meeting, and the fact that yesterday was a regular "Blue Monday," had no appreciable effect upon the attendance yesterday, as another large crowd turned out, and excellent sport was witnessed.

The dear, old public, however, had an off-day in the battle with the "iron men." The latter, of course, won their customary 5 per cent., plus the breakage, but it was the select few, fortu-nate enough to land on the long shots, that came away from the course in a
