# PAYS TRIBUTE TO EDUCATORS

Board of Education Regrets Deaths of C. B. Edwards and W. J. Snelgrove.

As a tribute to the memory of School Inspector C. B. Edwards, the session of the board of education was adjourned until Thursday,

Prior to adjournment the trustees' resolution of regret was read and moved by Trustee Thomas Rowe and seconded by Trustee Rev. A. A. Bice. The fol-lowing resolution was subsequently carried by a standing vote;

ried by a standing vote:

That the following resolution of condence be spread upon the minutes of the board of education, and that a copy be forwarded to the bereaved family.

That whereas the death of Mr. C. B. Edwards has removed from our mids an honest and upright citizen and ar efficient and painstaking inspec public schools, we, members of the board of education of the city of Lon-don, desire to express our sincere sor-

on, desire to express our sincere solvew and sense of loss.

For a period of nearly thirty years.

Mr. Edwards has efficiently served the city as a public school principal a master in the Collegiate Institute, and for nearly a score of years he has, as inspector of public schools, ably directed the primary education of the city. The efficiency of our public school system. efficiency of our public school system of today is a monument to his organizing and administrative ability. Those who knew him most intimately

opreciate best how strong a friend and ordent an advocate the teachers of the city had in the late Inspector Edwards. During his long tenure of office the ollowing are among the many progres-ive measures he has been instrumental in inaugurating: Manual training and pusehold science, physical training and last effort was spent in the providing of auxiliary classes. Our latest and best public school buildings represent his untiring efforts towards securing for London, the most modern and best-equipped public school buildings of his

if something from our hands To live, and act, and serve the future as toward the silent tomb

we go, Through love, through hope, and faith's We feel that we are greater than we

The following resolution of regret at the death of Principal Snelgrove Lorne Avenue School was also adopted: That whereas the hand of death has removed from our midst a most highly esteemed and respected educationalist and public school principal in the per-son of Mr. W. J. Snelgrove, the board of education of the city of London desires to give expression to its sorrow

From the date of his appointment to the staff of the London public schools on Jan. 1, 1900, and especially since his appointment as principal of Lorne Avenue Public School in 1906, his fidelity to duty, his ability as a principal and teacher, his sterling worth, and his exemplary life have all impressed themselves indelibly upon those who have been associated with him. Though his personal work has been brought to a close his influence will live on and his

Tribute to Principal. Be it therefore resolved that the board of education of the city of London spread upon its minutes this brief tribute to a life devoted to service not

# CLAIMS U.F.A. UNPROGRESSIVE

Reason For Breaking With Party.

Yorkton, Sask., Nov. 2.—Canadian Press.—"I broke with the Progressive party when, in my judgment, they ceased to be progressive," declared Dr. Michael Clark, former member for Red Deer, in opening last night his cam-palgn as Liberal candidate in the federal onstituency of MacKenzie. One of the largest crowds in

Dr. Clark stated that within the last few months the Progressive movement ook on an "illiberal, narrow, intolerant d purely class aspect."

and purely class aspect."
"I worked in politics for certain objects, for things which do not differ materially with the objects of the Progressives, so long as they represented an advanced wing of Liberalism. Within the last few months this movement had degenerated into a narrow, utocratic class movement.

"My views about certain class move-ments are not the growth of the past w months. On March 5, 1920, speaking in Parliament, I used this language: With what has fallen from these gentlemen about any one class permanently ruling this country, I am in absolute agreement. The only logical and effective method to combine is upon common policy, sincerely held, as making for public good, for which all

Sir Wilfrid Laurier in 1896, Dr. Clark ontinued, said Liberalism was the good old Saxon word for freedom, civil, religious and commercial. With that language he had been in agreement all his life, and if he had changed his political associates he had never changed his political ballot. changed his political belief.

The patriot in Canada, and in every allied country today, is the man who says: "Get rid of the war mind and the was held in Philadelphia during the past few days.
