### SARNIA GIRLS TO ENTER L. O. H. A. NEXT SEASON

Special to The Advertiser.

Sarnia, March 7.—The Sarnia girl hockeyists held their last workout of the season this week and will hang up their sticks without having played a game with an outside team. A game was arranged with London, but the last thaw caused it to be held off until too late, as the arena management are considering taking the ice out of the rink this week.

Heartened by the showing the girls have made in practice and the steady improvement they have been showing, it is an almost assured fact that this city will be represented in the ladies' O. H. A. race next year.

Chicago, March 7.—Of the numerous boxing contests Chicago promoters recently have staged in defiance of the stringent state law against prize fighting, the most ambitious was abnounced today. It would bring two champions, Frankie Genaro, holder of the United States flyweight title, and Joe Lynch, bantamweight king of the world, here March 19 to defend their championship in ten-round no-decision bouts against good Chicago pugilists. An effort is being made, it was announced, to match Johnny Kilbane, featherweight champion, on the same card with another sturdy boxer. CALGARY OUSTED. Canadian Press Despatch.
