for Children's
COUGHS & COLDS.

Why are Peps best for children? Forest fumes in pastille form, all parts of the breathing organs. Because they contain absolutely no harmful drugs. Because, when dissolved in the mouth, they are absorbed, such as is breathed by reading that tight feeling in the throat down to the air passages and lungs—not swallowed to the child's delicate stomach, which is so easily upset; and because they are so pleasant to take that children never refuse them. These pine vapors released when Peps are taken, penetrate for adults. All dealers 50c. box.

WANTS PULP WOOD RESTRICTION

Fabien Bugeand, M. L. A.
Asks That Export be
Prohibited.

Quebec, Feb. 14.—Fabien Bugeand, member for Bonaventure, moved in the assembly last night that the government prohibit the export of manufactured pulpwood to the other provinces, and if this was not done to place a royalty or a duty on such export. The motion was supported by W. R. McDonald, member for Pontiac.

Hon. Honore Mercier, minister of crown lands, said that many other provinces were supplied with raw materials by the Province of Quebec. He was not ready to say what would be done in the future in this connection, but after a careful survey and study of the situation the government would take proper action to protect the interests of this province.

An Oversight.

A maimed soldier was sitting in a Los Angeles park when a woman planted herself beside him and began to ply him with annoying questions. Finally the exasperated soldier started to leave her, and for the first time she noted that his right arm was gone. "My goodness, you've lost an arm," she exclaimed excitedly. "Have I? How careless of me," snorted the hero, and fled.

and John Brown were hit by the falling wall and badly injured, the two former quite seriously but not dangerously.

THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try Hi Hair gets soft, shiny and beautiful—Get a small bottle of Dandruff.

If you care for heavy hair that glimmers with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Dandruff. Just one application dissolves the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp, the air roots fall out, loosen and die, the hair falls out fast. Surely get a small bottle of Knowlton's Dandruff from any drug store and just try it.

Vaudeville

"VOIX DE VILLE" said Jean Chardavoine, a French musician; and thus came into being three hundred and fifty years ago what to-day we call "Vaudeville".

Vaudeville is the melting pot of the dramatic and musical arts. In it nothing is out of place; it includes drama, comedy, tragedy, farce and burlesque; and every form of music from grand opera to jazz is heard upon its stage.

Every city has its favorite vaudeville house. But you—who live at a distance from the great cities—can have vaudeville right in your home, with
