

# Stand From Under! OUR GREAT BREAK IN PRICES.

IT IS THE GRANDEST CUT EVER MADE IN THE DOMINION OF CANADA.

# ALL GOES. EVERYTHING GOES.

Our Entire Stock of Clothing. No Reserve. No Reserve.

Why pay \$7 for Trousers when you can get the same at Jamieson's for \$3.50? The choice of any panting in the window for \$3.50 for one week only. I have two hundred and fifty thousand dollars (\$250,000) worth of Clothing more than I should have at this time of year. The warm weather has stayed with us so long that it will now make no difference if it goes down to zero or 20 below.

This great slaughter sale will still go on. Every dollar's worth of Clothing marked down, some at cost; large lots away below cost. I shall experience a big loss in this great mark down, but the loss might be more should I keep the stock until next winter. I do not propose to keep it. The consumer will get the benefit. If the weather gets cold the goods will go so much the faster. My stock consists of gorgeous custom-made Overcoats; made in my own shop from the latest English fabrics, lined with Fine Worsted and Silk Serge, Satin Sleeves. Every Overcoat is worth from \$20 to \$25, and is equal to custom work at \$35 to \$40. If any merchant tailor can tell the difference I will present the Overcoat free of charge. I have hundreds of Fur and Plain Beavers, Corkscrew, Melton and Elysian Overcoats. Men's and Boys' Suits at proportionable reduction.

PANTS, PANTS—Over 2,000 Pairs to choose from. \$4.50 Pants Reduced to \$3 down. I will make in my Custom Department any Tweed Suit or Overcoat at nearly cost price. Remember, I have Not Marked Down a Few Goods to Humbug People, but my Entire Stock will be Slaughtered.

# We Do An Honest Trade.

Our recent Bargain Sale of Winter Overcoats started the "Howling Derivishes" of the Clothing Trade to advertise in a manner that must disgust sensible people. We are not believers in the theory that this country is inhabited chiefly by fools, hence we print nothing that will not bear a common sense analysis.

Therefore, to intelligent men in search of raiment we say, let us show you a collection of Suits and Overcoats prepared with utmost care to meet the wants of a critical trade—clothes made to wear and not merely to be sold.

**DRESS SUITS \$12 TO \$20.**

Business Suits \$5 to \$13.50. Overcoats, \$4 to \$18.

Our legal guarantee which goes with every sale entitles you to a refund of money paid upon return of goods unaltered. We don't put prices on goods outside different to what they are inside. This is beneath us. Business hours 7 a.m. to 6 p.m., and on Saturdays 7 a.m. till 10 p.m.

## COMMERCIAL UNION

And Reciprocity of Trade with Consumers.

We wish we could impress upon every reader of The World who purchases Tea, Coffee and Baking Powder that it would be for their mutual benefit if they would place their orders with us. Some time ago we originated the plan of giving presents.

**Presents of Chinaware, Crockeryware, Glassware, and Silver-plated Goods, Etc., away with our Teas, Etc.**

Believing that by importing and buying these goods "to give away as presents" from the makers in large quantities we could offer consumers special inducements to deal with us. Many of the presents we give away with our Teas would cost at retail as much as you paid for the Teas with which they are given.

**OUR PRESENTS** are all of the latest styles and shapes and from the best makers.

**OUR TEAS, COFFEES AND BAKING POWDERS**

Are the best that long experience and, we think, the best judgment will procure.

**OUR PRICES ARE BELOW ANY RETAILERS** for goods of same quality.

We also offer these presents of Chinaware, Glass and Plated Goods for sale at a very small advance upon cost. Trusting we may have the pleasure of serving you.

## ACTINA, The Great Catarrh Remedy and Eye Restorer.

This Wonderful Electric Chemicol Invention is a new departure in the Oculist's art. Physicians, Surgeons and Oculists from Galen down to the present time have sought a remedy outside the oculist's skill, but have perfected none until the discovery of Actina.

ACTINA will relieve and cure colds in the head, Deafness, Inflammation in the eyes, Neuralgia, Sore Eyelids, Headache, Catarrh, Throat and Lung Diseases and Humors of all kinds.

ACTINA is not a medicine or a disgusting lotion or powder, but a Self-generating Vapor, easily and pleasantly applied at all hours, times and places. It can be carried in the pocket and used by any member of the family from infancy to old age with perfect safety.

The most wonderful cures have been effected by the use of Actina, and literally the blind have been made to see and the deaf to hear.

We hold testimonials of the highest order and will be pleased to furnish the best of references.

Consultation and treatment free. Call and examine or send for circular.
