cockroach sat on an editor's desk, With a cynical smile on his face; Black marks on a clean, white place.
"Dear me!" said the cockroach, "I can't see
Why he should labor so constantly,

For he doesn't accomplish a single thing With all his writing and scissoring, Paste and scissors, Ottawa's Early Dates.

OTTAWA, April 26.—The new Capital Lared crosse Club will endeavor to arrange a match with some first-class aggregation for May 24, the proceeds of which will go towards defraying the debt incurred by the two old clubs. The Shamrocks have promised to give them a match before the season opens on June 4.

Solssors and paste—
Think of the energy going to wastel"
The editor listened, but didn't reply, For he had too much to do; But he said to himself, "One can't deny There's much in the point of view. One cannot measure his neighbor's worth By the gash he makes in the face of the earth; Scissors and paste— Think of the energy going to wastel"

earth;
And I strongly suspect that he may be
Perfectly right in his judgment of me.
Paste and scissors, Paste and scissors, Scissors and past Think of the energy going to waste!" Then the editor smashed the cockroach flat
With his scissors and buried him deep
In the pot of paste and remarked, "Now that
I consider is getting off cheap.
The critical faculty, as we know, Is a dangerous thing to have, and so I've forwarded you to a better land, For the sake of society, understand,"
Then theseditor took up his pen and said,
As he looked at the cockroach lying dead,

Scissors and paste-Think of the energy going to waste ! AN AMATEUR DETECTIVE

Farmer Stillwell was very much surprised when his only son, Charles Augustus, told him he was going to the city to "look for a

"What's the matter with staying at home and helping me run the farm ?" asked the "I want a chance to rise in the world, to move in the game in this arrangement. show what kind of stuff I am made of," answered the youth.

"I reckon you're made of the same sort of clay as yer mother and me, but yer only about half-baked yet," said the old man with a grin. "This comes of a little learn-the jeweler myself. It's a good idea to deal

might have to begin low, but he was bound to rise, and be somebody, and he knew as familiar to Charles Augustas, as they all such gentry. So his father gave him his blessing, and \$25 in gold, and let him go, with a pardonable desire to gratify his ambition and see him rise in the world.

The coupe was announced, and the two men went down and got in together, each visibly shrinking from the other. The fact

til was a great blow to their pride.

"Let us return," as the novelists say, to ously in the coupe, both doors of which had

Charles Augustus.

That enterprising young man had won golden opinions from his employers by his steady conduct, his correct business principles, and his devotion to their interests. One day, at a time when he was the only clerk in the store, a stranger extered and asked to be shown some diamond earrings. He produced a business card, and the jeweler, who personally attended to him, recognized the name as that of a man of the coups. recognized the name as that of a man of the coupe.

The result was that both men

amine before purchasing them. Then he left the store.

Now this business was unbusiness-like the sun, should admit of their cases being the diamonds or their equivalent in cash.

The gentleman smiled. But a man can smile, and smile, and be a villain still. Charles Augustus stood his ground with a come-ous-come-all-this-rock-shall-fly-fromits firm-base-as-soon-as-I - Fitz-James'-epression, that meant business.
"The idea," said his wife indignantly,

"to think that you are not good for that amount! They can't know who we are." "Never mind, dear. It's just as well to pay for them now as at any time. I will write out a check and give it to the young man, and you can keep your diamonds." But Charles Augustus saw only a new "I must have a certified check," he said

firmly.

"Ring for a coupe," said the gentleman
"Ring for a coupe," said the gentleman

The wonder of the age at the visibly shrinking from the other. The fact In due time a letter came from the young was the buyer of the diamonds was suffer-

who was still a stranger to him. The gentleman selected the earnings and asked that they be sent to his hotel for his wife to exhibit they be sent to his hotel for his wife to exhibit they be sent to his hotel for his wife to exhibit they be sent to his hotel for his wife to exhibit the sent the sent to his hotel for his wife to exhibit the sent to his hotel for his wife to exhibit the sent to his hotel for his h under Captain Caston and were exercised in diagonal marching, increasing and diminishing front and half company formation. Grompany remained in the drill shed and practised guard mounting.

The officers and men are busy preparing for the production of "Bootle's Baby" at the Grand Thursday evening. The 24th of May outing was discussed. Windsor and Niagara were mentioned, but as satisfactory arrangements have not yet been made with the railroads it is possible Niagara will be the chosen point.

Now this business was unbusiness-like and the jeweler cautioned young Stillwell not to leave the diamonds unless they were paid for, as the buyer had said they would be if they suited. So Charles Augustus went up to the hotel with two ideas fixed in his mind. He was to return, like the Spartan hero, with his shield, or upon it—in other words, he was to bring back either the diamonds, or tried to, was only kept in jail one night. Then his distracted wife found him, and figuratively warmed the policeman's ears for ever putting him there. The jeweler men of Greece, was an unknown quantity figuratively warmed the policeman's ears for ever putting him there. The jeweler finally got his money and the lady in the case received her diamonds, but Charles

LAST TO-NIGHT ACADEMY OF MUSIC. PRIMROSE AND WEST BIG MINSTRELS

To-day at 2. To-night at 8.

THE BIGGEST MISTAKE IN THE real estate business is that of asking "boom" prices for property. The half of the city appears to be in the market, judging by the advertisements in the papers. Yet when a capitalist comes to the front to purchase a business property or a decent homestead, the prices are too often shot up to a prohibitory point, turning away buyers and preventing business, besides often resulting in loss and to the disadvantage of all concerned.

K. J. GRIFFITH & CO., 16 King-street east.
