## ARKONA

J. F. Dickison was in Toronto on a business trip last week.

Arkona Roller Mills are working over time to catch up with orders.

The Public Library has moved into the Standard Bank Block. Tuesdays and Saturdays from 7 to 9 p.m. are the hours.

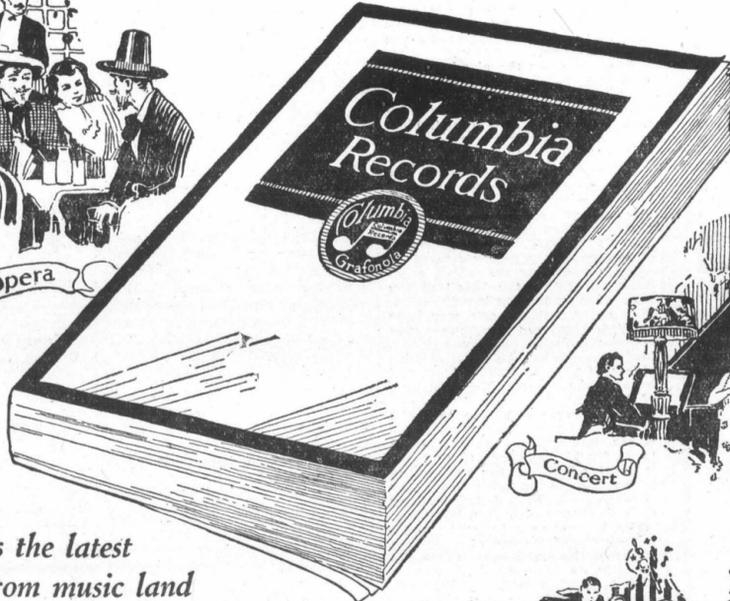

Considerable damage was done by the wind storm of Saturday evening to buildings, orchards, electric and phone wires, etc.

Watch Arkona grow. Manager Syerston reports a record breaking haul in his Motor Truck doing's last week when 28 tons of merchandise was handled from various points.

"Praying Peter, the Prisoner of Hope, Free" is the subject of Rev. C. King's Sunday morning sermon in the Baptist church, the Lord's Supper with the right hand of Fellowship to new members will be observed at the close. A full attendance is earnestly desired in view of this and the Forward Movement, now under way. Evening subject, "Gideon, Ready". This Thursday evening the choir will be in charge of the special Service of Intercession, and Friday the Sunday School workers will take the meeting in hand. Everybody is cordially invited.

In the big wind storm of Saturday evening Richard Wilson lost his fine farm residence by fire. It is thought a spark from one of the chimneys which had burned out early in the evening was to account for the blaze. Mr. and Mrs. Wilson and their little son had retired for the night when neighbor Martin gave the alarm, but, with the gale on at the time, it was too late to save the building. Most of the contents of the building, however, was salvaged by the big volunteer squad of neighbors who were promptly on the spot to land a hand. All the canned fruit, vegetables, etc., in the kitchen cellar was destroyed, and the building was only partially insured. Much sympathy is expressed for the losers. Fortunately, the wind was in the right direction or Mr. Wilson's barns or other buildings in town would have gone up in smoke.
