NOTICE:

OWNERS of Placer Claims are invited to send a few ounces of the black or grey sand, obtained in washing the gravel for gold, to "The Provincial Mineralogist, Bureau of Mines, Victoria," stating the name of the creek from which the sand is taken and its locality. It is believed that PLATINUM, and perhaps IRIDIUM, are frequently passed over and lost by the prospector, as they have much the appearance of iron in the sand. These minerals are as valuable as gold, the latter more so, and if the placer claim owners will send the black or grey sand as aforesaid it will be assayed and the results given to the owner.
