INTENDING exhibitors of Honey at the Chicago Exposition, will kindly place their Extracted Honey in tin jars, as the Commission intend shipping the Honey in these cans to Chicago. The Dominion Government will furnish glass jars in which the Extracted Honey will be shown. This will secure safe transport, and Exhibits will reach Chicago in much better shape.

BIG SMOKERS FOR BIG BEEKEEPERS.

My new Smoker is now ready. I claim the following points of excellence, viz.:— A stronger blast than any ever made; a valve accessible from the outside, and for delicacy of spring exceeded by none; calf-skin leather instead of sheepskin; be-^llows boards protected against damp by shellac inside and outside; fire-barrel, 3½ x 10 inches, and bellows 6 x 9, spring outside, grate heavy, and riveted in the barrel. Neither ashes nor cinders can possibly get into the bellows. The whole is well constructed. There is not a weak or flimsy spot in the whole machine. Price, \$2.50 each, cash with order. When 3 or more are ordered together express charges will be prepaid. S. CORNEIL.
