DUFF'S WHITE & BLACK MINORCAS, BARRED PLYMOUTH ROCKS.

At the last NEW YORK SHOW I won every 1st and 2nd for White Minorcas. 1st Cock; 4th Hen; 1st Cockerel; 1st and 4th Pullet, for Black Minorcas; also GOLD SPECIAL for best 1894 Minorca. I also won 3rd on Barred Rock Hen, the only Rock I exhibited. 17 PRIZES ON 17 BIRDS. Considering the competition and the number of birds I entered I claim to have made the BEST RECORD ON MINORCAS ever made at MADISON SQUARE GARDENS. During the past season my stock has been winning at various large shows in America, and this, taken in connection with my own winnings at the various important exhibitions, establishes, beyond doubt, the quality of my stock.

No more birds for sale till after breeding season.
Eggs \$3 per setting; two for \$5.
