

We did not Intend to Advertise Mugwump

any more because the 2 1-2 feet of solid ore disclosed in the Mugwump advertises the property better than we can. However, having contracted for this space in which to broach another proposition not yet quite ready for the prints. we take advantage of the opportunity to say that

“Mugwump”

Fully Paid and Non-Assessable Shares. Par Value, \$1 Each, at

Twenty Cents Per Share

are a first-class investment; under-written, as it were, by a magnificent ore body. exploration of which is being pushed day and night. There are no apologies made for Mugwump and people who invest in Mugwump shares get action on their money.

Mugwump is on sale by
