## Illinois Notes.

BY S. R. HOISANT:

The Prairie State Philatelic Association is a new society just organized. Geo. Bold is President, F. Haller Sec. Treas., and the Prairie State Philatelist Official Organ. The initiation fee is 10 cts. and the dues 25 cts. per year.

Mr. Geo. Dold, 2607-39th St., Chicago has opened up a new printing office equipped with all the latest machinery and is open to do all kinds of philatelic printing.

Mr. William B. Porter of Berwyn, Illinois informs me that he will soon go back to philatelic matters and again join the ranks of dealers. Mr.

Porter at one time published a small paper called the Junior Philatelist, and he also organized the Junior Philatelic Society which has proved to be such a success among the younger collectors. Mr. P. has claimed to settle all claims now held against him and I am sure we will all be pleased to welcome him back to our midst.

Mr. F. N. Massoth, the well known Chicago dealer has just returned from a trip through the Southern States.
