

A GREAT COUGH REMEDY.

Perhaps you may think that Scott's Emulsion is only useful to fatten babies, to round up the angles and make comely and attractive, lean and angular women, and fill out the hollow cheeks and stop the wasting of the consumptive, and enrich and vitalize the blood of the scrofulous and anæmic persons. It will do all this—but it will do more. It will cure a

Hard, Stubborn Cough

when the ordinary cough syrups and specifics entirely fail. The cough that lingers after the Grip and Pneumonia will be softened and cured by the balsamic healing and strengthening influences of this beneficent food-medicine, namely, Scott's Emulsion of Cod-liver Oil and Hypophosphites of Lime and Soda.

Refuse substitutes. They are never as good.

Scott & Bowne, Belleville. All Druggists. 50c. and \$1.

PRACTICAL TALKS

.... ON

Important Themes

TO YOUNG CONVERTS, OLDER CHRISTIANS
AND THE UNCONVERTED

BY ----

Rev. H. T. Crossley.

CLOTH, \$1.00

THE author tells us in his preface: "This book of *Practical Talks on Important Themes* may be regarded as a souvenir volume of our evangelistic work. We publish it in response to many requests for such a volume, hoping to further instruct and confirm those who are new converts, and, at the same time, assist to clearer views of truth and privilege those who are more experienced Christians, and also to induce the unconverted to become Christians." Those who know Mr. Crossley need not be told that his book is terse, practical, clear, and evangelistic in its tone. It is a book of nearly 400 pages, clearly printed and strongly bound, and contains portraits of Mr. Crossley and of Mr. and Mrs. J. E. Hunter and family.
