TESTIMONIAL.

ST. THERESE.
Messrs. Castle & Son have put in stained glass in all windows of our church. These windows present a magnificent sight, and add greatly to the beauty of our temple. It would be very difficult to be better served than we have been by Messrs. Castle & Son. The figures placed in the six windows in the Transept are perfection. The best workmen in Europe could not give a better or more perfect finish. Messrs. Castle & Son deserve the patronage of all who intend having this kind of work done in their churches.

L. A. CHARELEBOIS, PRIEST,
Curate of St. Therese.

Testimonials and designs submitted. Our work is guaranteed. We understand requirements, having made church glass a special study.

DONALD KENNEDY Of Roxbury, Mass., says

My Medical Discovery seldom takes hold of two people alike! Why? Because no two people have the same weak spot. Beginning at the stomach it goes searching through the body for any hidden humour. Nine times out of ten, inward humor makes the weak spot. Perhaps its only a little sediment left on a nerve or in a gland; the Medical Discovery slides it right along, and you find quick happiness from the first battle. Perhaps its a big sediment or an open sore, well settled somewhere, ready to fight. The Medical Discovery begins the fight, and you think it pretty hard, but soon you thank me for making something that has reached your weak spot. Write me if you want to know more about it.
