

TRE INEBRIATES' HOME, Fort Hamilton, L. I., N. Y.
(INCORPORATED 1866.)

President and Consulting Physician—THEODORE L. MASON, M.D., also President of the American Association for the Cure of Inebriates, and the Collegiate Department of the Long Island College Hospital. Attending Physician—L. D. MASON, M.D.

THE BUILDINGS are constructed for this special purpose, and they are more complete, better furnished, and better adapted for the treatment of dipsomania than those of any other institution in existence.

THE MANAGEMENT is systematic, thorough and adequate. There has been no change in the staff of medical or other active officers since the inauguration of the Home, nearly ten years ago.

THE CLASSIFICATION is more perfect than, and the beneficial results are fully equal to, those of any other kindred institution.

BOARDER PATIENTS are classified according to accommodations required, and the charges are proportionately adjusted. Their departments are divided up into several floors, each containing such accommodations as the patients or their friends are willing to pay for. There are separate dining-rooms, lodging-rooms and parlors, billiard and bath-rooms. There is also a lecture-room for religious services, readings, concerts, etc. Several periodicals and daily papers are regularly taken. For the treatment of the better class of female patients an entire floor is set apart, handsomely furnished, having separate approaches, effectually isolating the sexes.

REMARKABLE IMMUNITY FROM DEATH. The total death-rate since the opening has been one-half per cent., or one death for every two hundred patients. The total deaths of legitimate cases for treatment in the Home has been only one case in eight hundred during the same period. The rest were dying when admitted.

Patients are received either on their voluntary application, or by due process of law, and the powers of the charter to retain them within the limits of the grounds of the Institution are strictly enforced. For mode and terms of admission, apply to REV. J. WILLETT, Secretary and Superintendent, at the Institution, Fort Hamilton, (L.I.) N. Y.

W. C. ARNOLD,

Surgical Instrument Maker,
119 DALHOUSIE ST., TORONTO,

Manufactures and Repairs all kinds of Surgical Instruments on moderate terms and on the shortest notice.
